

# **Born Again Hoax: Mysteries of Spiritual Birth**

**Dr. Wesley A. Swift**

4th January 1965

## Dr. Wesley A. Swift

Dr. Wesley A. Swift, the son of a Methodist minister, was called to preach in his teens. He was a dynamic, inspired speaker who taught uncompromising Biblical truths ignored by modernist ministers.

His anointed preaching brought forth a high spiritual dimension of understanding to the Kingdom Identity message, giving “life” and “power” to the Sacred Word. Even the antichrists acknowledge that, “Wesley Swift is considered the single most significant figure in the early years of the Christian Identity movement in the United States.” Dr. Swift founded the Church of Jesus Christ – Christian in the 1940’s, a ministry that spread the Kingdom Identity message nation-wide to YHVH’s Children, the White spirit-race known Scripturally as “sons of God”. By teaching

these truths to true Israel, this warrior-priest put fear in the hearts of the enemies of Christ. Following Dr. Swift’s death in 1970, his widow Lorraine Swift faithfully carried on the Church of Jesus Christ – Christian. We are highly honoured to be able to continue Dr. Swift’s work, by placing those works that we have in print here on our web site ...preserving and earnestly contending for “the faith which was once delivered unto the saints”...for any and all to read.

We, at the Covenant Church of Yahweh hope that you will study, enjoy, and appreciate Dr. Wesley Swift’s works.

# **Born Again Hoax: Mysteries of Spiritual Birth**

**Dr. Wesley A. Swift**

4th January 1965

Good afternoon friends let us unite in prayer. All mighty Eternal Father again we have come to worship you in Spirit and truth, recognize thy admonition that we are not to leave off the assembling ourselves together; too draw the mighty catalysed spiritual strength that descends upon thy household as we obey thy voice. As we meditate and think upon these things of thy purpose and are guided by thy Spirit; The catalyzation of such spiritual strength empowers us from day to day through out the week, we pray that you grant unto each one of us the understanding the basic truths essential to move through life for these tasks which are before us; recognizing that we are in one of the great turbulent periods of human history, here in time of great tribulation, here in the period of the time of Jacob's trouble; but also the hour of mighty victory for thy Kingdom.

We pray that you should cause each one of us with full vision to understand the things, which are coming to pass on the face of the earth. Cause also for us to understand the part we are to play in applying the Spiritual energy and force and power, which you bestowed upon thy children to bring about objectives, which are thine, which shall bring to pass a victory in thy Kingdom. We pray our Father that you should take away all fear and you should grant unto thy people courage; that you should give unto them wisdom and should cause them to say as they pray, Our Father which art in heaven, Hallowed be thy name, Thy kingdom come; Thy will be done in earth, also as it is in heaven. We pray thy blessings rest upon each one as we assemble, we pray as we survey these situations which challenge us as a people that you grant unto us the remembrance of the great truths which have been known unto us in the Spirit which again can be spiritually quickened to it, that we might carry forward the destiny which you have ordained. So we say thy will be done in earth as it is in Heaven, and we ask it. Amen

We are turning this afternoon to discuss a subject, which some things may

be somewhat repetitious to some of you and yet there is nothing that is over? repetitious concerning the greatness of God's Purpose and your relationship, and your hours of origin. We are talking to you this afternoon about the Mysteries of Spiritual Birth. Probably there is no subject that is more significant, than one that is less understood, but more talked about. Some might say, why is that? It is because almost every Christian congregation that you know of will make the whole emphasis of their message and discussion more or less surrounding the areas of Spiritual Birth.

In fact whole areas of Evangelical activity will surround the declaration that '**Ye must be born again.**' And whole areas inside of Christianity would say that if even one decided to discuss this subject and not agree fully with what they had previously said about this that you would be a heretic, and they would write you off. But I think it is most important that we know what the Bible does teach as to what God had to say. Because, it's very important that we understand what we have been placed here for, and what the program of God's Kingdom is.

There is no doubt that there is nothing more important in human understanding than to recognize the identity of God as HE was embodied in earth, And also to recognize that Jesus The Christ came in the flesh. To recognize also why HE came is very important because HE came because you were here. He came because HE sent you here, and before He sent you here He told you what would happen unto your race, and its posterity until He came to rectify it. He also stated many things concerning your origin, your background, your present destiny during the time of His Ministry.

Probably therefore, as long as we are in bodies of flesh and dwell in this physical world with the limitations which seem to be upon us, and remain upon us to some degree because while in the flesh, we are sensitive to sense perceptions. The reasoning processes of our soul which can draw from both the Celestial as well as the physical seems to be many times over influenced by the decisions of the senses, and the pattern of physical consciousness. And it must be remembered that whether you would like to believe that the world is peaceful, that everything is at rest; that, there

is a struggle against God's Kingdom which is animated by a rebellious Archangel, and by the hosts, which he in violation, propagated among the earth. And by those peoples of earth who he deceived and led astray which caused the reason for God sending you into the world to begin with.

Therefore you are not at Peace because you are at war with the powers of darkness. There will be no Peace until righteousness has triumphed, and our Father, which is in Heaven, rules the earth from one end unto the other in the Kingdom which He has ordained.

This being true therefore we are faced with the understanding or the necessity of such understanding concerning who we are, what we are here for, and what the Kingdom of God has offered, and what it will accomplish in the earth essentially. In the first place we have been told so many times that the most important things men can do is to give lip service to certain truths. But if they do not perceive it and do not understand it, then their lip service is a very empty thing.

Many people believe that by saying certain words that are prescribed, and making a confession that they believe these words, whether it be at an altar or where ever that may be that is the entire requirement, for what they anticipate is the sudden transition in that individual which marks him as now, 'A child of God', where, before he made that admission he was supposedly an outcast or a child of the devil; Or a by? product of merely organic development in the earth by maybe some long chain of events, or at best in their ancient pattern, a concept of creation.

I want you to know this afternoon, that if you are a Child of God it is because you were begotten by the Spirit of God before the world was framed. I want you to know that you are a child of God, you are a child of God because THE FATHER decided that you were to be a child of His when He begat you. I want you to know that no child ever had anything to do with his birth. This is not only true in Spiritual areas, but also in physical ones.

You are a child of the ETERNAL FATHER after the Spirit; you are a child of the Adamic race? line after the flesh. But I want you to know that

the decisions of your birth were dedicated by purpose before the world was framed. And there exists no one in this room whose name was not written down in the records of God before the world was framed, unless there may be one that slipped in from the enemy that I haven't beheld; and God knew who he was too before he came in.

You may think that when we talk about this that it is a sacrilegious thing to say when we tell you that orthodoxy has been supplemented in some of its dogma to ideas set up in ecclesiastic authority when it was invaded by those who thought they would shape the church, and seek even to change the program of God's Kingdom so that they might retain power and control.

There are those who know that they only rule by ignorance; and there are those who would be highly insulted if you said that their theology was born in any phase of such ignorance. But, the fact is this afternoon, that it is important that you know who you are, how you came into existence, what your destiny is, and what it reaches out to in the endless ages of tomorrow.

I want you to know that there is no room for 'crepe hanging' in the program of God's Kingdom. I want you to know that, that which is born of God has been born out of a vital life of which there is no end.

The whole discussion largely starts in the doctrines of Orthodoxy. Someone said: Dr. Swift you wouldn't pose to oppose all Orthodoxy? NO. We will just say what God had to say, in the way God had to say it. And except that if Orthodoxy agrees or disagrees is of no matter. It is only important that we understand what God's mind was seeking to convey to those who were before Him who did understand it when He got through explaining it to them. And if it becomes shrouded in mystery, it became shrouded in mystery through Ecclesiastical barriers and walls, and through the process of Ecclesiastical order has placed upon men in the organization of Institutions.

I think of that man Nicodemus, a wise and very brilliant leader among Israel in the days of Christ. He was in the land of Judea. He was a

Pharisee. He was a teacher of theologians. Himself a theologian he was expounding the science, the knowledge, the lore, which had belonged to the Race as it related to their service of God. He was telling them of the things he believed, but with that same finite limitation that belongs to almost all men while in the flesh. And which gradually being illuminated with more and more illumination as we pass from generation to generation.

Nicodemus sat day after day teaching his theological students, aware that this man who walked the shores of Galilee, and walked in and out of the city of Jerusalem, and through the communities of Palestine, was no ordinary man. Aware that great power rested on Him. Aware that at His command miracles were being performed, the deaf could hear, and the blind could see. Aware also that there were rumours as well as evidence that ‘no man spake like this man spake. Aware that here was the first challenge to Priestly Authority and Ecclesiastical Authority, that a hierarchy was suppressing wisdom and truth. But, aware also of his responsibility to the class which he taught, and to his status which was also important.

He said: I must personally interview Christ. I must talk to Yahshua Jesus, but it would be better if I go after my classes, and that I go at night. No man can then identify me and say, this man is also a follower of HIS until I have heard, until I have become sure.

Some have criticized Nicodemus for going at night. God’s not disturbed whether you go day or night to see Him. The fact is there was an impelling destiny at work here, for as Nicodemus came to see Jesus he asked HIM the important questions concerning the one thing, which filled his life. Remember that Nicodemus was interested in the Kingdom of God. He was interested in the day when righteousness was going to rule from one end of the earth to the other. He was interested in the prophecies of Daniel. That the Saints, or the believing offspring, of the MOST HIGH GOD were going to take and possess the earth.

He sought to bring down such generations, through the race of which he was a part, and to see the covenants, which God had made with his forefathers. He wanted to know how to participate in the establishment of

such a Kingdom. He wanted to know how to enter in with all the fullness by which a person could make himself completely expendable for the cause of God.

And so, these are his questions as Nicodemus, a ruler, and a theological teacher among Israel in Palestine came to Jesus and said: 'Master, we know that thou art a teacher come from God, for no man can do these miracles that thou doest except God be with him'.

There is one rather fine fact here declared, and that is that the type of miracle which Jesus performed was a constructive one. The kind of miracle, which came forth from Christ, was one that was co-creative, it healed, it illuminated, it relieved and brought pressure from the minds and souls of men. Almost all of the miracles which come out of the negative side of the occult, such as are produced by false teachers and false Messiah's, and strange or pagan forces of deity and concept that we find in Asia and down among the Witch doctors in Africa are almost all of them a pattern of trickery, merely to establish the power of mysticism.

They do not have creative force. They are not spiritually healing forces. But in the Ministry of Christ, the miracles, which He did, and the power, which He applied, demonstrated that this was not an attempt to merely say, see what I have done. But it was an attempt upon their part as they beheld them to try to evaluate it to see what Jesus did there was a finality; there was a command, there was a positive ness. (Nicodemus said:) I am convinced by the very miracles that you've done that you have come from God. You can tell my friends by the kind of trickery pulled off through out the world where they come from, whether from the temples of Kali, whether the fakers of India or what type of trickery they are putting over. But he said: I perceive that thou art a man who has come from God.' Jesus answered him now he said: 'Verily, verily I say unto thee except a man be 'twice' born he cannot SEE the Kingdom of God.'

Now Jesus was telling Nicodemus something about himself. Nicodemus perceived the Kingdom of God. Nicodemus perceived that the Kingdom was real, that it was tangible, that it was going to be built. He perceived it reached into the heavens and into the earth. Jesus said: I perceive

certain things about you, so verily, verily I say that except a man be 'twice born' he cannot SEE the Kingdom of God. Except a man be born from above he cannot understand it.

Well you say that isn't the way it reads in my version. NO it doesn't. It says in your version, 'Except a man be Born Again he cannot see the Kingdom of God.' But that word, "Born Again" never existed in the text of the Scriptures in the early Alexandrian Version, in the original Aramaic in which John wrote. It never existed until Ecclesiastical translators creating a doctrine transposed and revised what Jesus said, and first placed it in both their own texts as well as Greek texts later translated by the Protestant churches.

Jesus said: 'Twice Born' 'Except a man be twice born and born from above. And if you were to go and get your Strong's Concordance out and look up this text, look up this word 'born again' as applied here, and it doesn't say BORN AGAIN at all. It says twice born and born from above, and when it says 'Born from Above', it places this in a different category.

Nicodemus said, 'How can I be twice born? Could I go back into my mothers womb and be born a second time?' And then Jesus answered him and said: I say unto thee, 'Except a man be born of the Spirit, and born of the water, he cannot participate, enter in, partake of the Kingdom of God.' In the original text there was room for another verse, for it clearly enumerates the fact that when Jesus said: 'Born of the Spirit, and born of water', and Spirit precedes first in the original text the word water.

In the translation it says born of the water first to make water precede spirit, but in the original text the Spirit precedes water. Jesus therefore said unto him, that which was born of spirit is spirit, and that which is born of the flesh, is flesh.' 'Marvel ye not that I say ye must be born from above, the wind bloweth where it listeth, and thou hearest the sound, so everyone that is born of spirit goes forth.

Nicodemus said: 'How can these things be?' And Jesus said, 'art thou a master of Israel and you don't know how these things be?' Where did you lose this wisdom and lore known in the days of Enoch, and was known in

the days of the Patriarchs, because Enoch wrote of these things. Say, but it doesn't say all that here. Jesus said, but you art thou a master of Israel and you do not know these things? Why do you say that because these things were a part of the Scripture; a part of the record; a part of the destiny. Born in the Spirit, in the heavens above, then sent into earth through the Adamic household to build a Kingdom. Born in the flesh in the earth, this how you enter the Kingdom, and this is how you participate in it.

'Verily, verily I say unto you, we do speak and we do know and testify of what we've seen, and ye receive not the witness. I have told you earthly things and ye believed not, how would you understand of heavenly things? No one ascends into the heavens but they who come down out of it.

There is no question about the fact therefore that as Jesus spake HE was challenging this man. HE was challenging Nicodemus, and out of this has come all this pattern of doctrine, which classifies an error, which today is one of the great problems of all theology, and all Christendom at this time. That is that all an individual would have to do was to acknowledge a belief in God, and in HIS embodiment as the man Christ Jesus, and which would make him a Christian if he believed it within himself, and he acknowledged that this was true, and that this was God. Automatically then they said this man has been born again. And having been born again, they said, he is a child of the Father. And then having taught that he is now a child of the Father, there is no reason then, according to the modern problem for him not to be associated in every avenue of living, even to inter-marriage, inter-mixing, and the bringing of all nations, all races and people together as one household.

That's why you have trouble today among Holiness Churches. That's why you have trouble today in Methodist or Baptist, or Presbyterian churches, because in the background of their doctrines they have been told that the acceptance of Christ, the recognition of God, the willingness to serve HIM, is being 'Born Again'. I tell you this afternoon that this is not. Now, I recognize that this kind of challenge by those who do not wish to know, and who are not interested in the truth would be called

heresy. But the Apostle Paul was always faced with this when he tried to explain something which Ecclesiasticism didn't like, and he had to say: 'by this way called heresy so worship I God.

Now, I point out to you that Jesus made it clear to whom and to what people the Kingdom of God was in participation for. Except they be born of the spirit and of the water. Except they be born of the Spirit by the Eternal FATHER who is the Father of all spirits, light and power, they could not enter in with spiritual perception to do the work in the physical world that they must do. So first they had to be born from above, and then they had to be born in earth. They had to be born of the Spirit above, and they had to be born in earth. This is the KEY to the Kingdom.

Everybody in the earth does not inherit Administration of the Kingdom. Nobody can inherit anything as an inheritance unless they inherit it from the FATHER. The Father's children inherit, the rest of the world get it by Grace. God has sent salvation into the world to the ends of the earth, but He has first sent salvation into His own household for their redemption that they might then finish the task He sent them into the world to do.

That's one of the reasons why I tell you that, which has been born in earth without having been born from above in the spirit cannot therefore participate in the administration or the spiritual illumination of the people of the world. This is what is here referred to. I want you to know therefore that He answered Nicodemus and he explained that Nicodemus could participate; Nicodemus was of the household, he was of the line, and this was something that he should understand.

When we talk about regeneration we are talking about a word, which we find cropping up in the Greek that did not exist.

One of the things that transpired early history in our race was of course the loss of Light, and spiritual power. You were begotten in the ages of yesterday, in the spirit. The antiquity of your Celestial or spirit-being is beyond your ability, at this moment, to measure by time. God is in a progressing begetting process at all times.

The universe moves on the pulsations of God, and God in the essence of HIS Celestial being is Light. Light that extends from the right to the left. Light that extends from the extreme ultra violet to the extreme infrared, into those wavelengths of Light, which you yourself cannot see. And compounded together in this great compression of this Light energy you have the sheer 'White' Light so brilliant, so radiant, this Light of God that the human eye is not able to comprehend its full value.

It is the sect of Light with its positive forces on one side and what we know as negative only and its compression points on the other side. The Universe is made out of the pulsing patterns of these great forces of energy out of the mind of YAHWEH, which is synthesizing the Light, which He, Himself, has forced into the substance of His Universe. And the Universe is made up of two factors, Light and electricity. Everything in the Universe is made out of Light and Electricity. The light and Electricity are pushed into form by first the existing idea of what the form is to be, is in the mind of THE FATHER. It is the compression of these patterns of energy, that produced the processes of Life, and everything is formed under its compression. And all motion moves thus, it moves, my friends, not as we think in straight lines, but always in circles. It spirals and moves in the curves of God's purpose, and reached out to time and everything is thus brought back unto Himself.

In the patterns of spiritual law it is the law of Light, which is the life of men. There are creatures and beings of God's creation and all the areas that He has created, that He has put there as He created them according to His desire. And they are manned with the electronic particles of the energies and the substances, which under God's compression and it's this law of compression holds together the solidity of the whole physical Universe.

I can quote to you from the physicist's who have outlined the strange powers that hold the atom together, and the molecular masses together. And it is with understanding that it is the compression of the Divine Mind, and it is the factor of the mentoid down to the smallest atom, to the most complex masses of substance which hold it together, and without

the Mind holding it together the essence of the mentoid down in the nucleus, it all would explode.

There isn't some mysterious nuclear cement that's been put in there to hold the atom together, it is, my friends, the very pattern of Divine Law. It is the very WILL OF God's OWN MIND WHICH HOLDS IT TOGETHER. He has made a physical universe just like that. But has also produced out of Himself, a Light force, and this Light is the Light of men. And this Light is also the spirit energy God beget with each pulsing vibration of the Universe. The Universe then is pulsing like this all the time from God outward in rings. These great rings of form existed in the mind of God as everything exists in His Mind. More than that I can prove to you that whenever there is a change or a mutation the rings become broken and catastrophe is the result.

You are children of His Spirit, and every time there was the pulsing Light pulse of heaven, YAHWEH beget a son by His own purpose. Compressed the Light patterns of the sexes of Light which were existent complete in His own nature, and He produced in His own Image and Celestially HIS CHILDREN. When YAHWEH designed to do this He begat a household in the Spirit, different from anything that was created anywhere in the Universe, for you are HIS offspring.

There have been great minds that caught this in part, some of them however by the very intensity of the technology which they found themselves embraced in, could not catch the pattern as it related to the Kingdom, only catch the little phase they were in. This was true of Russell and it was true of some, who go back like Oliver Wendell Holmes, and others caught a little pattern but they couldn't catch the whole picture. And as they went farther and farther back we discover that the truth which was kept alive was one of the mysteries taught by the Druids, and then all the way back in the Masonic order, to the days of Enoch and Job.

But there have been those who tried to move into the illumination that was the knowledge of the spiritual law, and so twist it to destroy the

program of God's Kingdom that they formed an evil 'Illuminati' which became a wall to the truth.

I tell you that it is because of this design to throw the world into disorder, and to rule it out of darkness, that you today are in conflict. You are the children of spirit. You were begotten by the very essence of light and love of YAHWEH, in HIS own Image, in Spirit.

If God had children what would they be? We well know that they would be Elohim like HE was. We know that your celestial existence had concept, had shape, had form. We know this because we know there is form to YAHWEH, and that the image of the Celestial-being are these physical bodies in which people dwell.

We know that in the Colossians, as we have said unto you before, that the body of the man Christ Jesus was the Image of the invisible God. We know that one day in the hours of creation that God having created all the things of all earth order, created male and female created He them, back in the Genesis again on the sixth day. (Genesis I) And we know that the general shape which, belonged to the general intelligent patterns of Deity, were given to male and female.

Remember what the Father said unto you? He brings it to your remembrance in His WORD, 'Let us make these beings in our own image'. And when on the seventh day He had none of His sons in earth. There were created people that He was the God over. This I want you to understand this afternoon. Our YAHWEH is the God over all the people of the world whether they worship Him or not.

I want you to know that this is demonstrated in the first chapter of the Book of Romans. People have been diverted by Lucifer. They have worship idols, and pagans they have set up strange concepts and funny images like unto corruptible images of their own people, and said this is a god. They stuck him on a pedestal and said, this one god, or that's god. The Scripture says 'made like their own corruptible images.' And He said, 'Know this not that YAHWEH is God over Israel, and the God over the nations, is God over the whole world whether they know it or not.'

Now, lets make this clear. There is no source of life, which did not have to originate from HIM. There are no creatures or being which He has created that He is not the God over. But there are a lot of people that He is not the Father of. Let us understand this. For Adam was His offspring. His life and His Issue. And from the Adamic race came the Mystery of YAHWEH, in sending forth a spiritual seed. A seed which would pass from generation to generation until by the increase of the bodies of the Adamic race. The vessels would thus be propagated for His Celestial children spirits already full grown, to occupy the earth, for the development of God's purpose in the earth. And the Soul consciousness, your resident conscious being, which must be conscious of its existence whether in a Celestial plain or a physical one, was now conscious of its physical existence, as from it's earliest babyhood it took cognition of the dimension in which it now lived.

Thus it was that you, the entity and being were aware that you were here, that you were in bodies of flesh. And you became less aware during your early childhood of your Celestial consciousness, and of your Celestial being, your body synthesized with Light, not made out of atoms. You were in a physical body of electronic substances, protons, electrons, and neutrons, and the substances of the by-products of mental energy patterns holding together the physical body. Every physical substance, which you see, is thus composed of this. You were conscious of your electronic existence but not always conscious of your Light existence, or the spiritual pattern of the spirit with you.

But when your Adamic race was started and God put Adam and Eve in the earth, it was from Adam that came forth the new household that God had established this, the entrance of His Family. Eve was taken out of Adam that this might still be one. Let me tell you this. You will note that from the very beginning the design of the satanic forces was to destroy God's Kingdom. They are still trying to destroy the Kingdom by the same process. They are aware that there is a quality that dwells in you that must be mutated, or the Kingdom of God will take over the world. They know therefore something, which has been a covenant for history, that a lot of church people didn't know, but they had a record of it. It was still in the

Scripture, but they didn't understand it. That inside of your race was a spiritual, incorruptible seed.

They knew that if they could absorb by some how your race by mutation and mixing, that the offspring of such a mixing would not have it. Now, I will tell you this, the moment you mix with another race, no propagated offspring has spiritual seed, it ends right there. That's one reason why they may follow, they may be instructed, they may develop, but spiritual seed cuts off right there.

I point out to you that the enemy wanted to absorb it. The seduction of Eve, the violation of Adam in this pattern was the first design to destroy, and put enough evil at the very beginning to block the continuity of God's Kingdom. Adam and Eve were enveloped in radiant Glory, the effulgent power of the Spirit, which brought cognition to them in relationship to their ability to occupy as the children of God in the earth. But they hadn't reasoned what was going on. They were enveloped with Light and Glory, and this is a part of the antiquity of the Ancient records of your race. Even the enemy in writing concerning how they were enveloped in this radiant Light and Glory, that they glowed with Illumination.

The first violation of law for, ah, the Light and power of Spirit could not cohabit with darkness and from the violation of law the Light went off of your race. The glory departed. Man had lost the Life power that enveloped him that would have given him, and maintained for him Immortality. Deep inside this race there was still a Holy Seed. God Almighty not only had made a covenant to Destiny, but said He would bring it to pass. And He cleansed; and He prepared; and He selected; and used His hand of Destiny from the beginning, and Seth was the acceptable one. The seventh from the violation of law. God had accepted it as the cleansing, and from Seth has all of the White Race come. You are the generations of Seth. You are the offspring of Adam's son Seth. The first one, begotten in his own Image after the violation of Divine Law.

Now, we want you to know that you were now a fallen race. You have often heard it said that by the transgression of Adam, sin passed on to all men. The violation of Divine Law called sin and death can by synony-

mous. We had lost immortality, death rested upon us. I want to tell you something this afternoon that some people haven't thought about. The transgression of Adam didn't have anything to do with the transgression of Negroes who rebelled with Lucifer in ages past, and who came to earth in the hours of his rebellion. The transgression of Adam was not the fall of the Chinese because their catastrophes in following Lucifer had taken place millenniums before this. I want you to know that the Adamic race was the offspring of God. They had been spiritually begotten in the heavens, and were now being physically begotten in earth. The redemption of the Adamic race was the program of God to put the Kingdom back on its full scale, empowered course. It is for this cause that He came into the world. Under the patterns of Divine Justice He had to buy the world to get the treasure that was in it. He had to, in one Atonement as God to consummate for all of the errors of Lucifer, and to assume upon HIMSELF in all righteous justice all error to have the right to redeem HIS own. So HE bought the world so He might have the treasure, your race, which was hidden in the field. And He said that the field was the world.

I want you to know that the program of God is Biblical, it is restoration. He is going to restore everything to its proper order. He is going to empower His many sons, and for this cause He came into the world, to empower His many sons.

Now, we have been given many Mysteries in the Scriptures, and some of them have tried theologically to explain. And they tried to help it as they translate it along when they didn't always have discernment, and some of these we find in (the Book of) John.

John tells us some things concerning the children of God. We point this out, he said: 'he that committed sin is of the devil. The devil sinneth from the beginning. For this purpose was God made manifest that He might destroy the works of the devil'. 'But whosoever is born of God does not sin for his seed remaineth within him, and he cannot sin because he is born of God.' (John 3:9) Now, you say that's a mysterious passage but the original text even clarifies it. 'That which is begotten of God cannot transgress.' So, what does that mean? That means that the Celestial spirit, which is the part that was begotten of the Father, has never transgressed,

can't transgress, it is incorruptible seed and lives and abides forever. Do you think you could corrupt an incorruptible seed? If you could it was not incorruptible. It is impossible to corrupt incorruptible seed. The only thing that has been corrupted has been FLESH. So all transgression has been through the processes of temptation, violation of law, which the spirit perfect never would have disobeyed, if the mind and the body had stayed in synchronization with the spirit. So, therefore transgression has to be in the flesh, and the penalty had to be on the flesh, which was death. But that which was born from above has not transgressed.

Now, I want you to know that as John writes he said: 'therefore we know that we dwell in HIM, and HE in us, because HE hath given us of HIS own spirit.' We know that which is born of God cannot sin, and therefore that which is born of God cannot die. The Celestial being cannot die, the spirit being then never dies. In it is all the power of the Light, which it is comprised of. 'The Light that is the Life of men', and when He came into the world we are told that, He was the WORD. He was the great mind purpose of all His Deity, and He came into the world to give His many sons power.

Now, we point out to you then that the Apostle Paul understands this and he says in the Book of Corinthians: 'Being born of incorruptible seed, that lives and abides forever.' That, my friends, is the difference between you as a race, and the races of those made in the word as a creation, who had the breath of life, and a soul consciousness, who had the spirit of their creation, and could look to the heavens and say: 'That is our God,' before their fall. But, YOU can look up into the heaven and say: 'Our Father, which art in the planes of spirit.'

Now when God restores you can restore everything to what it was. That's one reason why I can tell you today that the doctrine that you baptize, by the spirit, everyone into the family of God, is erroneous. The Family of God starts with THE FATHER and of the children of His begetting. In His name, because He is the FATHER, the whole Family in heaven and earth is named. He said: 'I have come for the Lost Sheep of the House of Israel.' He sent His disciples out only to the Lost Sheep of the House of Israel. He said unto the Jews on Solomon's Porch: 'Ye believe not because

ye are not my sheep, 'you understand, you cannot perceive. This is a fact and He just states it.

The program of God, and His infinite Grace is promised, as all the Holy Prophets according to Peter has been proclaimed since the world began. That He is going to restore all things, and in that restitution of all things, He is going to bring all things into proper relationship unto HIMSELF. He didn't say He was going to do it always in the dispensation in which people are trying, by preaching something He did not say to bring to pass.

Someone said: Then do you mean that a Negro or any body on the face of the earth could not be saved? Salvation is a state of being. Any individual who is in adjustment with God is saved from all the errors of being out of adjustment. Or, when man is in adjustment with God his spirit guides him into the knowledge of truth. When an individual is in adjustment with God then he does the things, which God has ordained. Violations of Divine Law, which a state of being, and laws exist because things are made that way, is called sin or transgression. Violations of such laws produce also death.

It's possible therefore for any individual who gets into adjustment with God to be 'saved' from error, and to do the things that is right. Jesus didn't come to save men from himself. He came to save people from error or sin. When He said, I have come to seek and to save, first that which was lost, then he said, he came to save people from their sins.

You see we have kind of reversed this. The church has been teaching we're saving men from some terrible destiny when they die. And all the trouble you've found men into they've gotten right here. You weren't sent here to save men when they die, you were sent to save the earth from the catastrophe it's in. To build a kingdom, to work now while it is day.

We point out for you, that regeneration had to have life to start with. So the Gospel story is the story of regeneration, and therefore you will note that in regeneration the children begotten in the spirit embodied in the earth, lost their aura of Light by the fall of Adam, are regenerated by the Activity of God's Holy Spirit calling and stirring deep in the heart of

every one of HIS sheep this knowledge of the Father. And when they become actively aware so that they can feel and know that Christ was that embodiment of God, and God has shape and has form and there is entity and being in His Universe. When that transpires they have been regenerated, and you would have to have had been begotten in the spirit and generated with Light before you could ever be regenerated.

I want you to know therefore, that it is 'Twice Born' experience, which placed your race in the earth. It is the regenerating influence of the Holy Spirit that establishes you as the sons and daughters of God with power. One of the great catastrophes we find today in race relations lies in the idea that a spiritual acceptance, as they like to imply it, that this is not always possible, but it is a head acceptance, an emotional acceptance, soul acceptance, on the part of some. That your job was to teach the entire world who God was. Your job was to bring in His Kingdom and to enforce His Law.

For this cause, Negroes and Asiatic can be influenced by your ministry, when it is empowered with Light, and can form groups and they can worship the right God again because He's also their God. But they do it within the emotional or conscious limitation of their capacity to understand, remember this. And without your maintenance of presence and authority, and its leadership they will revert back to the Witchdoctor or the communist revolution, or to the priest of Hinduism or to those backgrounds. It is only when these high types of trees and groves of the paganism have been knocked down that people are set free, and liberated out side of your race.

I point out to you that Jesus when He sent out His disciples sent them out to the 'Lost Sheep' of the House of Israel sent them out to the Adamic race. And Therefore He said, I send you out, go yea therefore to all the world and preach the Gospel to all the Kinsmen, baptizing them in the Name of YAHWEH and of His Messianic fulfilment which ye have be witnessed by the authority of the Holy Spirit. The original text makes it very clear: 'Go ye into all the world and preach the Gospel unto all the Kinsmen.

If you go into any lexicon or the early text and you will see that never was there any instruction by Jesus to His disciples to go into all the world and preach the Gospel to every creature. And then baptize them in a Babylonian Trinitarian concept. Never said that at all. In fact when you go into lexicon you see the word is Kinsmen. 'Go ye into the entire world and preach the Gospel unto all the Kinsmen. You are the kinsmen. The Holy Spirit didn't tell one thing through the lips of Jesus and then express His mind another way when He spoke to the Apostle Paul. He sent Paul out to preach, but said: 'I forbid you to go to Asia.' But you see that part of the world wasn't for the ministry of the Apostle Paul during his craft. 3:51

You see this is a significant thing. We today have the church is preaching the Gospel unto all kinds of people. And they are preaching the same Gospel, and they are not identifying the message, which God gave them. 'Go into all the world and preach the gospel unto all the kinsmen.' Now, you might be able by an admission of the Gospel under some process to baptize a person into the organization of the church, but you can't make a son out of some body who was not first begotten of the Father. 44:23

I point out therefore that it is not a decision on the part of the individual that determines whether or not he or she is a child of God. But it determines that God has begotten him and has re-quickened his spirit. I point out to you also that in this same structure that preaching the Gospel to every creature is not done in Protestant circles. We don't go out and preach to little dogs, or horses. We don't go out and preach to all the creatures. There is a denomination in Christendom of course who blessed and baptizes and anoints little donkeys, and have special days for that, and gets holy medals out for it, and get a little special collection for it, but we don't do that nor do we preach to every creature. And if the word had been to all creatures then it would have still been all conclusive, but it was not that way. It was to go out and preach to the Kinsmen.

If you would turn to the Book of Hebrews where again it talks about the marvellous fact that God had now put upon Himself a body of flesh, because all the children of God were in bodies of flesh, He said: 'he wasn't ashamed to call you His kinsmen', because you were flesh of His flesh

and bone of His bone, out of the same Household. These were His purposes.

I want you to know that the great mystery of spiritual birth is the mystery of God begetting you with the pulsing Light of His own being framed up with His own mind, in the very image of your person. That's why James said: 'He, the FATHER of all Light, and of all vibrations, begat us out of His own WILL.' The most powerful force in the world is the mental wisdom of YAHWEH. It is the essence of His Holy Spirit. It is the most brilliant Light of all illumination. Isn't it a strange thing that Satan who also would like to appear as an Angel of Light would seek to deny the Very Christ?

Herein we do have also a denoting factor as it relates to the children of God. We read again these words, which we find John writing and this is what is said concerning the Household of God. He says: 'Every spirit that confesseth not that Jesus the Christ is come in the flesh, is not of God. This is the spirit of Anti-Christ whereof ye have heard should come, even now, already is in the world. Ye are of God little children, and have overcome them because greater is He that is in you than he that is in the world.'

What is the great marked evidence of Spirit? That it can know Christ. That it will recognize Christ. That you will confess that this is YAHWEH come in the flesh. I was the other day glancing over some of the advance writing of the Illuminati for your time, super specialists of great human understanding who would express the love of God in the great universal pattern, which makes every one the same. This is their story. Now they said, no real true Illuminated religionist would ever believe in God in bodied. Or could ever conceive that God had form, and wasn't a great powerful principal of illumination. And in this same philosophy they said, even as other have said, 'No man, and man the unknown', they were trying to deify man, but were not willing to embody God. They were not willing to give God form or personality, and were talking of the evolution of the Universe, as man evolves into something higher than themselves.

I want you to know that this is how the Illuminati tries to destroy the

Kingdom, because they teach that as we become filled with love, intermingle and embrace, and reabsorb one-another until all the world is one happy family, one inter-married, inter-related, evolving family, we will come to the light of the greatest age of all times.

So, the devil speaks as a prophet. Talks about life, talks about love, and wants to destroy the Holy Seed. Because the plan of God is not subject to adjustment to Lucifer. It's not subject to any type of mental gymnastics by any philosopher. It's not subject to change according to whim. The plan of God was the begetting His Household in the heavens, and sending them into earth embodying them into the earth to build a Kingdom as tangible and as real as any other kingdom on the face of the earth.

But to give it the life power of His own Spirit, to charge it with healing power, and to finish a task in the earth such as the world has never known. You are the children of the Kingdom. There is no greater transgression than the mixture of your race. There is no greater insult to the knowledge of your destiny. There is nothing more important for you to know this afternoon is that that you have been begotten of a Spirit of an endless Life. That the Spirit that is within you cannot die, cannot sin, and because of this you can get a guilt complex from the transgressions you have committed. And He said, I want to take this off of you also before it destroys you. Because I've assumed all that transgression to set you free, so that you can stand upright before Me, and to know you have been justified by your FATHER.

It is an accepted principal, was by God from the very beginning, that no individual who thinks with the mind of the Spirit will ever make a mistake. Because while thinking in this mind in the Spirit, he has perfect evaluation of all things. If you could understand the principal of perfect evaluation, then you could think with the mind of the Spirit and the process of God, there is no transgression you would commit because you know the physical factors, set and on balance, which are so great in their detriment that in the wisdom of such knowledge you wouldn't do it.

That's one reason why the mind of the Spirit never errs. It is when that is limited in its perception that the soul consciousness reasoning by the

flesh, over evaluates the temptations of Lucifer instead of the perception of the Spirit in its knowledge, and would cause you to say no, with that determination which is a part of their nature. Thus Lucifer sought the destruction of the spiritual power of your race, sought this from the very beginning.

'Ye shall know the truth and the truth shall make you free.' It is the power of the Spirit of the very Life of God, which also exists in you, which you have in these earthen vessels, that makes you free from the law of sin and death. Your Celestial being possesses immortality, and your physical body also shall put on immortality, and be swallowed up once more in LIGHT.

I tell you that you are in one of the greatest days of all human history. I want you to know that you can be most happy in understanding and in the perception of truth. To know that you have been born of THE FATHER, by HIS own WILL. That you have been born in earth by the very Destiny which He has decreed, that you are children of the Spirit and that you are the children of the flesh.

Oh, you say, but this isn't good enough. What about all these other people? Why do you think that way down deep in you, that you are worried about the fact that all of the creation isn't the same as the God who created it? Well, I'm going to tell you what is in the stored up picture ahead because, even Enoch unveiled it, and in the Apocalypse of Paul it was revealed. It is also hinted at as one of the mysteries that you'll find in the Scriptures.

For after the Kingdom has conquered darkness, destroyed the powers of evil, and brought the earth under the regulation of Divine Law, in the greatest creative period in human history, it still does not eliminate that there are many, many beings, and many races of different orders. It is quite obvious that the other races do not have the spiritual capacity, and therefore cannot attain the Spiritual intellectual Order of your race. It is also true that because of the extreme perversion and the darkness, that enveloped the Negroid race that they plunged into darkness then changes and mutations happened in the antiquities of yesterday.

Options Do you know what you're going to participate in, in this new creation? Did you know that in the ages to come you are going to make new creatures out of every individual-created-being that walks upright in the Image of God? Did you know that at that time you will be a part of that co-creation, and Life shall go forth out of you? And as they become New Creatures with it will come Spiritual capacity of receiving directly as of inspiration, the thoughts of God. And when you have consummated the New Creation, the world's not (going to) have Negroes anymore. It's not going to have Chinamen anymore. It's not going to have people so diverse.

There may be differences in the courses of all the patterns of God's creation. They're not going to steal by this process, have now become your blood brother, nor are they the offspring of the same genera. But, they will by this same spirit have been made new creatures, and they will move into a new area. But, this is not for now, and it's not in this generation, nor in this dispensation, nor in this time. That is why the Laws of God for this time tell you to live as God has placed you, for this hour, within the law for this day.

YAHWEH has the power to change. He has the power to create. He has the power to make new things. I want you to know that it is, 'first things first', which we must learn to understand. The Grace of God first will put the world in order, and bring all men back to the recognition that HE is YAHWEH (God). And all beings back to the proper understanding, and restore them to what they were before their fall. Then in the era after such a restoration is a new creation, a new development in the patterns of God's own Grace.

There are many Mysteries, which one would never be able to finish in a single message. For YAHWEH is lifting the veil. He is opening up the majesty of His purpose. You are children of His Spirit. You are the Household of THE MOST HIGH. You are the Grace of God to the world, and He embodied all of this demonstration in His own embodiment, that He might make you conform to His own Image. Children of the Spirit of an endless Life of Mysterious Birth in the heavens above, now occupying

the earth for the building of His Kingdom. He taught you to Pray, 'Thy Kingdom come, thy will be done, in earth as it is in Heaven'.

We cannot finish a subject like this in a single afternoon because there is so much involved in the pattern of such mystery. But we want you to know that you are children of the Father, who are identified with HIS NAME. Who can recognize and perceive, and understand the vastness of the embodiment of the son. Stand out as distinct and apart from the forces in the earth that would destroy this Faith. Would even drive this NAME from your nation, would try to blot it out of your national life.
