# The Battle Against Fluoridation

A 24-page pamphlet, *Fluoridation Unmasked*, has been printed in America by Miss Fanchon Battelle and we are trying to get some to sell over here; if we succeed, it will be notified in a future Gothic Ripples.

A Jew doctor named Irving D. Litwack, Health Officer for Long Beach, California, having formally recommended fluoridation of the municipal water supply as a means of improving the teeth of the community, Miss Battelle tackled him asking him to justify his recommendation by producing evidence of any experiments and tests on the strength of which it had been made. All

she got in reply was in the usual phraseology of the fluoridation promoters who had coached Public Health Officers on the proper answers to give to critics of the scheme; these instructions had been given at the American Public Health Association Convention in Cleveland, Ohio, which Dr. Litwack had attended. It was clear from his reply that so far as public health was concerned, he was proposing not a remedy, but a dangerous experiment on the people.

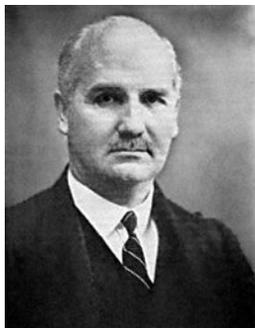

Miss Battelle points out that an advancing army at war cannot make much use of atom bombing for -very obvious reasons, but that it can use the wholesale destruction of enemy' personnel by poisoning the water supplies through agents behind the lines.

She quotes eminent people who have been informed by important Bolshevik chiefs (examples, Zhuchovitsky and Ana Pauker) that poisoning of American water supplies had been planned. Miss Battelle then describes every aspect of the effects of fluorides on the human body; and the "smearing" of objectors and doctors who oppose the scheme. All this evidence has been sent to Dr. Litwack, but he has not further replied to Miss Battelle who is to be congratulated on her efforts.

The American Medical Association has definitely not endorsed fluoridation as was stated in some of the early reports of fluoridisers.

At Newburgh, New York, where fluoridation is perpetrated, a poll of people who had lived there ten years or more was taken, and it was found that 72 per cent did not know what fluoridation was.

Mr. Oscar Ewing, head of the Federal Security Agency, who published literature in favour of fluoridation, was the assistant lawyer employed in the prosecution for " sedition " of the anti-Jewish worker, the Silver Shirt leader, Wm. Dudley Pelley, who served seven-and-half years of his unjust sentence before he was released.

### **LORD CHERWELL AGAIN**

This Lord (born Lindemann) is so important in the atom-weapon world that he is visiting Australia to be present at the forthcoming tests. We presume that as he is principal scientific adviser to Mr. Churchill, we have to thank him for the appointments of many foreigners (mostly Jews) in connection with vital atomic research in this country.

### **QUEER**

Zalig Lenchitsky, a Jew, of Teesdale Street, Bethnal Green, London, E.2, has been arrested and charged with the murder of a 5-year-old girl, Wendy Ridgewell, who disappeared about 3.30 p.m. on the Jewish Day of Atonement, Yom Kippur: Her naked body was found squashed into an orange-box in a tenement ten yards from Teesdale Street Synagogue at 10.30 a.m. next day. We make no comment at this stage.

### **THE ENEMY WITHIN THE GATES**

The Washington Times-Herald, August 21, gives details of fifteen American citizens who have been questioned by the House Committee on un-American Activities when suspected of spying, but have refused to

give any information as to their connection with Communism, because to do so might incriminate themselves. It is obvious that if they were not Communists, it would be quite easy for them to say so. We find that at least eleven of the fifteen are Jews. The point is that they are perfectly free to come and go without molestation by the police, since their refusal to give information about themselves is a constitutional right.

We often hear that Senator McCarthy's activities "lower American prestige abroad". That matters little to intelligent Americans who know that there is an espionage ring in their Government which has to be routed out. In Britain, people are not aware that there is an equivalent espionage ring in our Government, unless they happen to be readers of Gothic Ripples. Otherwise they would not have allowed Klaus Fuchs to be appointed to a position of vital trust; nor would Donald MacLean and Guy Burgess have had confidential posts from which they could abscond to Russia with secret information at their convenience.

The Jews and Bolsheviks regard Senator McCarthy as their worst enemy in the U.S.A. Hence the abuse of him is not a Party matter over here, for the Jews run all the parties. Yet, as far as we know, and to our great regret, McCarthy has never yet uttered the full truth----that Bolshevism is Jewish. Jews don't abuse Pontecorvo!

## **HERR ADENAUER**

Herr Konrad Adenauer has greatly strengthened his position in Germany, and we remind our readers that his misshapen features betray utter racial chaos; and that means he is bred from people grossly unlike in race. This suggests some Jew mixture, and we think this was probably on the father's side, as the name, Adenauer, presumably originates from the town of Adenau in the Rhine Province, west of Coblenz. German Aryans are seldom if ever named after towns, but Jews often are. His second wife was one of the Zinsser family of doubtful racial origin, mentioned in Gothic Ripples No. 61. In our No. 67 we commented upon the low race-types and high Jewish

percentage of the members of the last Bundestag, few of whom would have been recognised as Germans by Hitler we commented upon the low race-types and high Jewish percentage of the members of the last Bundestag, few of whom would have been recognised as Germans by Hitler

## THE "BACK TO THE GORILLA" MOVEMENT

**This Nigger Urge**, due to the fact that the Negro has reached long ago his evolutionary limit, is called Mau Mau in Kenya, and no one there seems to be able to understand the derivation of the name; we identify it as a Monkey Noise. Mau Mau, both in the Kenya and Nyassaland forms, is always characterised by destruction.

**Brazil has instructed its consulates** abroad not to request information regarding ethnic origins of applicants for visas to enter the country. This will enable Jews and Niggers to crowd into Brazil and speed the process of racial degeneration already reducing what should be a progressive country into a state of hopeless decay. After another fifty years of this racial bastardy, some form of Mau Mau will arise to satisfy a "Back to the Gorilla Urge".

**"Back to the Gorilla"** is rife in the B.B.C. Light Programme, as typified by the bestial noises produced by "Jack Parnell (left) and his Music-Makers". Here we have Mau Mau officially supported.

**The Jew Peter Abrahams**, novelist, said at the English-Speaking Union Conference at Balliol College, Oxford, that he thought that in Central and Eastern Africa, black, white and brown would eventually co-operate in multi-racial communities.

**The Colonial Office**, in announcing changes in the Constitution of Northern Rhodesia, stated that it "looked to the day when the part played by racial considerations there will become negligible" When that day

arrives, we venture to tell the Colonial Office, which has not even yet learned that the basis of politics is race, the "Back to the Gorilla" movement will be far advanced.

**British Guiana**, whose population is a hotch-potch of inferior races, is well on the Gorilla Road, the process having been hastened by Jews and democracy. It now has a Communist Government, and, at the time of writing, we believe trouble of the usual Mau Mau character has broken out and our warships are on the way to see what can be done. As we stated in our issue No. 102, page 2, the chief Communist is the Indian dentist, Dr. Cheddi Jagan, who is now the Premier. But the leading spirit is his wife, the Jewess Janet Roberts, whose real family name is Rosenberg. Bolshevism is always Jewish. It appeals always to inferior races, which have no natural instinct for progress.

**We do not believe** in the long run that China and Japan will ever join the "Back to the Gorilla" movement. The Yellow man has "got something" but both Brown and Black have long got to the end of their tether.

### **DREDGED FROM THE SLIME**

**President Eisenhower** attended the B'nai B'rith dinner on the fortieth anniversary of that organisation to receive "America's Democratic Legacy Award" from them.

**The Iron Lung of Israel** is maintained by the constant pumping of dollars from Aimerica into it. With some of these funds, Israel buys from Russia, 6 per cent of its oil requirements.

**The Jew Jules Moch, Socialist leader in France**, and once Minister of the Interior, has written a protest to the Prime Minister against the exclusion of Communists from certain branches of the higher Civil Service.

**Various Jewish professors are trying to work up excitement in the Dead Sea Scrolls "found"** in the Qumran caves. The Jew Professor

Solomon Zeitlin, of Philadelphia, has evidently seen the danger to the Jews in these clumsy claims and says the whole thing is a hoax.

**The Arab countries and Turkey** have protested in UNO against Israel's muscling-in policy re Jerusalem. But Israel will take no more notice of that than she does about General Bennike's (left) order to her to stop work in the Hula region of Upper Galilee where the Jews are trying to divert some of the waters of Jordan for a power plant. Hula is in the demilitarised zone. (General Bennike is Chief-of-Staff, U.N. Truce Supervision Organisation.) Israel has too many of her own people in power in U.S.A. and Britain to trouble about quackings from UNO.

**The newly-appointed Supreme Commander** in the Far East, General John E. Hull, U.S.A., is a Freemason.

## **JEWS IN THE NEWS**

In announcing the appointment of **Sir Andrew Cohen as Governor of Uganda** in our issue No. 81, p. 2, we prophesied that this Jew would "uphold the prestige of the Nigger". This is exactly what he is now alleged by Europeans in Uganda to have done. They claim (Times, Sept. 7, 1953) that he is pursuing a policy with regard to the coffee industry detrimental to private enterprise and intended to discriminate in favour of African growers.

A company has been formed to finance the export of aircraft; it is called **Air Finance, Ltd.**, and is sponsored by Lazard Freres, Erlangers, Ltd., and Morgan Grenfell, Ltd. The Chairman is the Jew Gerard D'Erlanger, and the other two members of the Board are Lord Harcourt and the Jew G. Godfrey Phillips.

**The Jews David Croll (Toronto) and Leon Crestohl (Montreal)** have been re-elected as Liberal M.P.s in Canada.

**The Jew Dr. Bebler, Under-Secretary for Foreign Affairs**, has been the "Yugoslav" spokesman in the Trieste dispute.

**The Jew Bernd Weinberger** has been ousted from membership of the East German Cabinet, but still retains the post of Commissioner of Reparations. He was recently reprimanded for "capitulation to hostile agitators".

**The Jew John M. Schiff is elected President** of the National Council of Boy Scouts of U.S.A.

**The Jew Stefan Rais, Minister of Justice for Czechoslovakia**, has now been dismissed from his post.

**The Jew John Elliot, born Blumenthal**, has been made Chairman of the London Transport Executive at £7,000 a year.

**Dr. J. Katz-Suchy (left), Jew, of Poland**, is Chairman of the Legal Committee, UNO Assembly.

**In Rumania, the Jews H. Grunstein (Police) and P. Florin (Foreign Office)** were reported purged. In August it was reported that Ana Pauker was not in office, although still alive and not under arrest.

**The Jew Daniel Levi** has gone to Japan as "French" Ambassador.

**Williams's Intelligence Summary, September**, gives a portrait of Kruglow, who is Beria's successor as head of the Soviet Secret Police. It is the face of a typical Jew. This job has always been held by Jews.

**Dr. Ernst Reuter, Socialist Mayor of Berlin**, who has just died, was one-quarter Jewish, and looked more so.

**Sir J. Arthur Salter** has been made a baron. We are not sure whether or no he is Jewish; portraits of him do not warrant a definite diagnosis. Dr. P. Aldag, in *Juden beherrschen England* (1939), p. 277, said he was a Jew, and was generally accurate.

Moi-Sha has turned up again. This is the Chinese name of the Jew "General" Moshe Abraham Cohen, the late Sun Yat-Sen's aide-de-camp, whose exploits in revolutionary days were summarised in my pamphlet, *Chinese Communism?* (price 3d., post free). He was in England for the Coronation and is having a biography published (author, one Chas. Dradge) soon. He will eventually return to "business" in China. He is a British subject, from Canada.

**We are now in a position** to be able to identify a high proportion of Jews infesting this country, whatever names they may take. As a consequence, we assure our readers that the Police Courts of late have been dealing with a very high proportion of Jewish law-breakers. This country has taken the first step on the long road back to the Gorilla, dealt with elsewhere in this issue.

## ABOUT BOOKS

**Hitler's Table Talk (1941-4).** Without committing ourselves as to the precise degree of authenticity for these reported talks, we wonder why the Jews ever allowed them to be published, because there are 719 pages of easy but solid reading here, the conversation of a man who learned how to think very early in life (as *Mein Kampf* shows), and bearing the stamp of great wisdom on the part of this anti-Jewish statesman. Then we read the 28 pages of the introductory essay entitled "The Mind of

Adolf Hitler", written by Mr. H. R. Trevor-Roper, (left) and found that he (T. R.) regarded Hitler as a diabolical adventurer animated solely by an unlimited lust for personal power, harsh, squalid, savage; so prejudiced

is Mr. Trevor-Roper against Hitler that he believes the unorthodox wisdom we have mentioned reflected these alleged defects in Hitler's character, and would help to smear his memory. So we did a little research on our own and found that Mr. Trevor-Roper's grandmother was a Messeena! Anyone who wishes to purchase this book, which gives the spoken thoughts of an untrammelled, undrugged mind, can order it from the Britons Publishing Society, 74 Princedale Road, W.11. It costs 31s., post free, and we ourselves do not stock it.
