BASIC

DURING and after the war, our Jewish brain-washers developed the use of a word "totalitarianism" in order to confuse our minds by coupling Fascism and Communism as of one ilk.

Actually, Communism and Democracy are closely related to one another, so much so that Fascism was born to prevent Democracy itself degenerating further into Communism, which Democracy is particularly liable to do when the racial make-up of a country is poor. The great basic lie of Equality is accepted as truth both by Communism and Democracy, but Fascism utterly repudiates it. Senator McCarthy's (left) recent experiences show that Democracy has no real

defence against Communism; it is already hopelessly undermined by it and largely because of Freemasonry. The Jewish Power is behind both Communism and Democracy, but always antagonistic to Gentile Fascism. "Totalitarianism" is a Jewish

NOW, ABOUT THESE JEWS

Cross and Flag, October, quotes from Southern Conservative (Texas) that a Communist Party pamphlet circulated there as long ago as 1912 says "We must realise that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. . . While inflaming the Negro minority against the whites, we will endeavour to instil in the whites a guilt complex for their exploitation of the Negroes. . . the Negroes will be able to intermarry with the whites and begin a process which will deliver American to our cause."

Well, that was 42 years ago, and there are now plenty of "fellow-travellers", many of them dressed like clergy.

Prof. Arnold Toynbee, Director of Studies in the Royal Institute of International Affairs, ought, we should have thought, to be immune from charges of "anti-Semitism", but Rabbi M. Kirschblum, President of the Misrachi Organisation of America, loudly wails that Mr. Toynbee has defamed Jewry in his Study of History.

Mr. Toynbee (left) said, regarding the treatment of Arabs by the Jews in Israel, "It is a tragic thing that people who have suffered often inflict the same thing on others". Surely this is a very mild comment on the villainous Zionist action of turning three-quarters of a million Arabs from their rightful homes? Another sober statement of the truth by Mr. Toynbee is "Britain actually made possible the settlement of Israel by Jews after the

First World War by protecting them from expulsion by the Arabs".
Anti-Semitism?

In the face of unfavourable criticism, the Jews, however, are always quite crazy and abnormal. They are quite different from other people. That is why Jewish Communism is always super-sensitive to criticism. The Jew is always right; and if you do not agree with him, you are either something evil or a victim of mental disease.

The late Colonel Edward Mandell House's book *Philip Dru, Administrator*, published in 1912, has been under discussion a lot lately, as it is now recognised as a blue-print for Revolution in America. House was the well-known unofficial adviser of Presidents Wilson and Franklin Roosevelt, and although he was never elected to any office, became a sort of king-maker to their administrations. The Jew E. Lennhoff (author of *The Freemasons*) wrote in *Wiener Freimaurerzeitung* (No. 6, 1927) that House was a Jew; and General Ludendorff in *Destruction of Freemasonry* by exposure of its Secrets describes House as both a Jew and a Mason. House had a Christian burial and had not any Jewish features; he had a Jewish brother-in-law in Sidney E. Mezes, the two men having married sisters. But Arthur D. Howden in his biography of House writes that he was not of Jewish extraction, and that the middle name Mandell was that

of one of his father's most intimate friends, a Jew merchant of Houston, Texas. Our conclusion is that House was a Gentile who learned Jewish psychology by close association from boyhood; one of those strange phenomena of which the late General Orde Wingate and Oliver Locker-Lampson were examples.

The death in December of Sir Waldron Smithers, 21 years Conservative M.P. (left) in Kent, reminds us of a strange occurrence during the war, never fully explained. He had asked in the House of Commons on 21st July, 1943, why Israel Moses Sieff had been suddenly recalled from the U.S.A., where he had been appointed to an Advisory Committee on Price Control. No real information could be elicited from the reply to this, but the very next day Sir Waldron was taken seriously ill with

abdominal pain, and did not fully recover until December, after an operation. We would like to know "who done it?"

In Gothic Ripples, No. 11, we gave the true facts about Sieff's dismissal, but as that issue is sold out, we repeat them here:-

A House of Representatives Committee (the Boren-Halleck Committee) had had Sieff before them for examination, as they had found out that in Planning, chief organ of P.E.P. (Political and Economic Planning Organisation) of which Sieff was Chairman, the following had been written on 2nd July, 1935: "Yet even the question of keeping or scrapping the Constitution is subsidiary to the main issue, which is, what type of society the new America is going to adopt". Mr. Halleck said to Sieff, "Mr. Sieff, so far as I am concerned, you are entitled to hold any beliefs you wish. But it becomes a matter of intense interest to this Committee when we find P.E.P.'s publication speaking of scrapping the Constitution and re-making the United States, and then find you here in a position in the Office of Price Administration which would give you the opportunity to participate in the re-making of this country".

The Halleck Committee sat between 1st and 16th June, 1943; Sieff's return to Britain was signalled by the *Jewish Chronicle* of 9th July.

We were the first to give publicity to the existence of the Israelite Sieff's P.E.P.(left) whilst it was still a secret movement; this was in July, 1933, in *The Fascist*, organ of the Imperial Fascist League, and in 1934 we fully described it as Sovietism by Stealth. Sieff is now Chairman of the chain-stores, Marks & Spencer, Ltd.

Do not forget it! Nor you, Mr. Home Secretary!
Sieff gets around quite a lot!

Mr. Robert Crouch, M.P. (Cons.) is to bring in a private member's bill to ensure that beasts killed for Kosher meat are properly stunned before the throat is cut. Mr. Crouch is an agricultural member and it is likely that he may find the sticking power in his fight which so often proves lacking when members take up the scandal of Kosher-Killing without knowing the odds they are up against. We trust he may receive all the support he needs from our readers; if he does succeed in getting his Bill through, he will of course find no career before him as a politician We wish him the Strength he will need.

JEWS IN THE NEWS

The Jew Sydney Gross is appointed the first Professor of Jazz Music at Columbia University, U.S.A. (Fact!)

The Jew J. I. Isaacs is elected President of the Oxford Union Society.

The Jew J. E. S. Simon, Q.C. and M.P., is appointed a member of the Royal Commission on Certification and Detention of Mental Patients.

The President of the National Association for the Advancement of Coloured People (U.S.A.) is not a Negro, but an Israelite **Arthur Spingarn**. His brother Joel founded the thing.

The Foreign Office has refused to renew the passport of Israelite Michael Shapiro who has advised the Chinese Government on Press matters in Peking.

Could anything be more damning than **Bernard Baruch's (Left) "tribute" to Sir Winston Churchill**, which we quote from the *Times*, 29th November: "He is indeed the greatest living Englishman, the finest flowering of leadership and statesmanship that England ever produced"?

In the *South African Jewish Chronicle* (29th October) is a leading article headed A Christian Zionist, praising the life-long efforts of **Sir Wyndham Deedes** on behalf of Jews. He is described as "an Englishman" inspired by indignation that Christian States have shown inhumanity to the Jews; but what is not explained is that the "Englishman" is a half-caste Jew, his mother being daughter of Major-General Lousada Barrow (real name Baruh). Hence the desire for "justice to the Jews".

One of the "Fathers" of the London Stock Exchange has just died; he was also a founder member of the Johannesburg Stock Exchange. He was **Sir Benjamin Hansford**, who was really an Israelite named Lazarus.

President Eisenhower has created a special secretariat in his Cabinet, and has appointed the Jew Maxwell M. Rabb as its Coordinator.

The Israelite Louis Rasminsky is made Deputy-Director of the Bank of Canada.

The Israelite Michael Winner has become editor of Varsity, the Cambridge undergraduates' paper.

The Jew Q. J. Iwi is made President of the Oxford University Liberal Club. (A subject not taught to the British undergraduates at our Universities is obviously the science of self-preservation.)

The unsavoury divorce-case recently won by the Israelite **John Lewis, formerly M.P. (Lab.) for Bolton West**, took place before Justice Sachs (Israelite) and lasted 14 days. In evidence it was shown that the wife had received from her doctor the following medical advice: "Find yourself a lover". The doctor was Dr. David Minton, Dorset Square, W., and he also is an Israelite. And this is England, mind you! Or do you mind? If so, spread Gothic Ripples around, and we will get more printed.

The Israelite Sir Jacob Epstein's daughter is engaged to a brother of (3rd) Baron Kilbracken.

The Israelite Stanislaw Radkiewicz has been relieved of his post as Minister of Security in Poland, and appointed Minister of State Farms.

The Jew Isaac Wolfson (left) whose name has been prominent lately in the financing of many combines, has been long the Manager of Great Universal Stores, Ltd. He has joined the Kemsley-Winnick television organisation.

The Mayor of Toronto this year is an Israelite Nathan Phillips.

The Jewess Mrs. Mildred Pomerantz Allen has been appointed State Secretary for Connecticut.

The U.S.A. lawyer Arthur Garfield Hays died in December. His speciality was the defence of what are known in democratic jargon as "Human Rights", and he was a Jew.

The Jew Rakosi (deposed from the Hungarian premiership in 1953 (see Gothic Ripples, No. 104, p.4) made the principal speech as head of the Communist Party in the celebrations at Debrecen in December of the tenth anniversary of the arrival of the Red Army in Hungary.

The Television producer of George Orwell's "1984" is the Jew Rudolph Cartier. (left) Los Angeles received a shock when in mid-December it was announced that an investigation had found 29 doctors there in a conspiracy as Communists. They used the Community Medical Centre as a rallying point for Reds. The evidence was given by a paid investigator Mrs. R. Drader, an ex-

Communist member, Mrs. L. L. Silver, and a Negro doctor, O. B. Barker. All but three of the doctors involved have Jewish names and we think the whole lot are Jews. At the time of writing (26th December) no report about this affair has been seen in British newspapers.

One of the latest security-risk dismissals is that of the U.S. Embassy **agricultural attaché in Tokyo, a Jew called Wolf Ladejinsky.**

America is rotten with Jews behind the lines, and we do not believe that democracy can save it.

NIGGER NOTES

A Negro, Col. Benjamin O. Davis, has been made a Brigadier-General in the U.S.A. Air-Force. He is on of another nigger of the same name who became a Cavalry General in 1941.

A carefully compiled leaflet, *Out of Step Voters in Los Angeles* (by F. Hichborn, Santa Clara, Calif., U.S.A.) shows that constituencies mainly of Jews and (or) Niggers produce majorities in favour of Socialistic, New Deal and Globaloney legislation whilst the mainly white districts oppose these things. Degenerates like James Roosevelt gain their support mainly

from Jews and Niggers. Every Jew and Nigger imported into this country can be depended on to add strength to the Communists.

Block-busting (see Gothic Ripples, No. 116, p.4) is now in full swing in England, and on 6th December, **Judge Clothier at Lambeth County Court** spoke out indignantly on a case before him where a nigger was ordered to abstain from interfering with a white woman who had lived for 40 years in the top floor of a house now owned by him. By making a nuisance of himself, the nigger hoped to drive out the white woman. As the law stands, however,

we do not really believe that the law can give real protection to white women in such a case as this.

EVENTS IN AMERICA

The death took place on 31st October of Jeremiah Stokes, a lawyer well-known in America as an active worker against Jewish Bolshevism. In 1946 he won a 10,000 dollar libel action against A. A. Derounian, better known as John Roy Carlson, the author of the book *Under Cover*. On appeal, however, the judgment was reversed. In 1955

Mr. Stokes married Mrs. Elizabeth Dilling of Chicago, the writer of *The Octopus*, *The Red Network*, and *The Roosevelt Red Record*, and all anti-Jewish workers will realise how great is her loss and theirs.

A fund of five million dollars has been raised in Washington to be used to try and get **Senator McCarthy kicked out of the Senate**. This reminds us of that five hundred million pound fighting fund that the Jews got together in 1938 to try and destroy Hitler. (See *Jewish War of Survival*, Chap. xvii.) The treatment that McCarthy has had at the hands of the Jews (against whom he has so far never said a word, God help him!) should be

a lesson to everyone who has had his or her brains washed against Adolph Hitler and the Nazis.

The official defeat of Senator McCarthy is now being followed up by an attack on certain Fascist groups by the Un-American Activities Committee. Under fire is the National Renaissance Party whose programme was very much like that of the pre-war Imperial Fascist League in this country; but we have not yet been impressed by its leadership.

THE JEWS HAVE THE BOMB

Prof. Enrico Fermi, Chief of the Advanced Physics Department at Los Alamos, died on 28th November. Born in Italy, this Jew, who became Professor of Physics at Rome University, where he worked with the Jew traitor Bruno Pontecorvo (see Gothic Ripples, No. 70, p.1), found no difficulty in transferring himself and his knowledge to America just one year before war broke out ! When the Jew J. Robert Oppenheimer was (against strong Israelite pressure) removed from his post as Chief Adviser to the Atomic

Energy Commission, Fermi was loud in his defence.

The people who put up all the Big Money at the recent record-breaking sales of blood-stock at Newmarket relied on heredity as their chief security. But under democracy, any old thing will do. The last thing our politicians think about as a security is racial purity, and that is why Jews are allowed to come here and pass our atom secrets on to Jewish Bolshevism in Russia.

THE CREEPERS

Freemason Fisher, (Archbishop of Canterbury), in his Diocesan Notes has appealed to Christians to take into their homes for Xmas the large number of Africans in England.

Heavy sentences have been imposed on five men in Spain accused of freemasonry (which has been illegal there since 1940 because of its close links with Communism). A number of others are still to be tried. Bravo, Franco!

NEW LITERATURE

Revision des Idées et Souvenirs 1914-51, by R. H. Ketels, obtainable from him at Postbox 578, Brussels. 50 francs. pp .221.. The book develops arguments for a continental policy based on a cult of the white races, with full recognition of the Jewish and Masonic evils; the author also gives an account of his almost life-long endeavours to forward this policy. He is now 61 years old and says this may be his last effort.

With the New Year, we thank all those who have been supplying us with news clippings from all parts of the world in 1954 a service which is essential to our work; long may they continue to do it!
