THE SENIOR PARTNER

If World War III is successfully arranged, it will simply be a case of Gentile blindly warring with Gentile for the complete destruction of Gentile civilisation in Europe, the Jewish instigators looking gleefully on; for the Jews are in power on both sides. We have lately given evidence of the essential Jewishness of Bolshevism. Now we deal with the essential Jewishness of the chief partner among the Western Powers, the United States of America. Here are a few of the Key Appointments in that country as far as War and its Preparation are concerned:-

President. H. S. Truman, obviously part-Jewish at least, who says his favourite reading is the Talmud, and who prefers Jews as intimates.

His personal adviser is the Jew Sam Berger; the Jew David Niles recently retired in this capacity owing to anti-Jewish publicity on his position.

Dean Acheson's department of European Affairs is run by the Jew Theodore C. Achilles. The Assistant High Commissioner in Western Germany is the Jew J. B. Bittenwieser, in whose house the traitor Alger Hiss lived when on bail, and who contributed to that bail. Paul F. Warburg, Jew, assists the Ambassador in London.

The Governor of Alaska, the most exposed U.S.A. possession, is the Jew E. Gruening. The Defence Production Administrator is the Jew M. Fleischmann.

The Jew S. Weinberg is one of the two assistants to the Director of Defence Mobilisation. Assistant Secretaries for Defence are the Jew Max Leva and the Jewess Anna M. Rosenberg, who manages Man-Power. (The Assistant-Secretary for Labour is the Jew P. M. Kaiser.

The Secretary for the Air-Force is T. K. Finletter, whose wife is Jewess Damrosh.

The Supreme Commander of the Combined Forces is General D. D. Eisenhower, believed to be part Jewish and certainly pro Jewish. The Supreme Commander in the North Atlantic is a Gentile, Admiral Fechteler, whose uncle by marriage is one of the Roosevelt family, which is partly Jewish by blood and wholly Jewish by tradition.

Left: Admiral Carney (Gentile) commands in the Mediterranean; his daughter married the Jew J. K. Taussig.

Commanding the U.S.A. Army is the Jew Mark Clark.

The Strategic Air-Force is commanded by the Jew General Curtis Le May.

The Quarter-Master General is the Jew H. Feldman.

The Public Relations Department of the Forces is run by the Jew A. R. Ginsberg.

The Jew Major-General I. L. Lemnitzer is in charge of Arms Shipments to the Allies.

The Republican Party's adviser on National Defence is the Jew Brig-General Julius Klein.

Mr. Averill Harriman has been made Director for Mutual Security. He will supervise Foreign Aid Programmes. He is always the Gentile Front for Jews, particularly Kuhn Loeb and Co. He is shadowed in E.C.A. affairs by the Jew Ralph Straus, and in Oil affairs by the Jew Walter J. Levy.

Benjamin Cohen is the United Nations Secretary in charge of Press Relations; a Jew of the U.S.A.

An Assistant Secretary of State is the Jew Leo Pasvolsky, who prepared the United Nations Charter

The Solicitor-General is the Jew P. Pearlman.

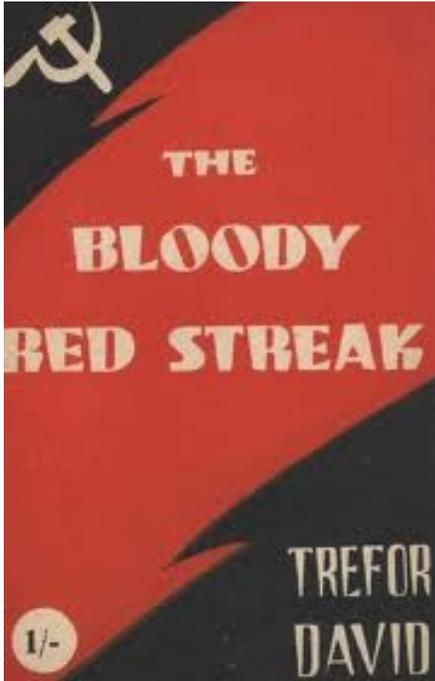

The Atomic Energy Commission consisted of at least three Jews out of five members, until such time as the secret information gained had been successfully passed to Russia, when it became relatively unimportant and two of the Jews resigned. Their Advisory Chief is the Jew J. R. Oppenheimer (left).

But, as in Russia, the unofficial Secret Government is far more important than the official one. The real head of the Secret Government is the old Jew Barney Baruch, who still wields his power although he is supposed to have broken with Truman. This Jew also “influenced” Churchill. *The Chicago Daily Tribune* (29th May, 1951) quoted three Jews as being the Secret Cabal governing the U.S.A., viz.: Senator H. H. Lehman, Justice 'Felix Frankfurter, and ex-Secretary of the Treasury, H. Morgenthau, junr., now Treasurer of the Zionist organisation. (Lehman's niece is the wife of Bittenwieser, above mentioned; whilst Frankfurter -and Dean Acheson meet together daily, both supporting the traitor Alger Hiss). Under them, great influence is exerted by the partly Jewish Eleanor Roosevelt and, in California, by the Jew Artie Samish.

A similar state of affairs is found in France, which is too rotten anyway to last more than a few weeks of war; and also in Britain. World War H was simply Jew versus anti-Jew ; World War III is planned to be like a game of chess between Jew and Jew in partnership with the Devil, the Gentiles being -marked for slaughter by one another, like drugged gladiators. **Arnold Leese**

NOT BAD FOR A START

Mr. Trefor David, British Empire Party candidate at Ogmore, Glam., facing the terrific odds imposed by the two big Jew Parties, polled 1,643: and we doubt whether 1,643 people could have been made Jew-aware more cheaply. The loss of the deposit represents an expenditure of ls. 10d. only per "recruit". Mr. David knew in his own heart that he could not win the first time, and concentrated on giving direct anti-Jewish information, but next time he may win, and no doubt he will concentrate on the constructive side of his policy whilst proving that Communism is Jewish. For this latter purpose, his new pamphlet *Bloody Red Streak* (ls. 141. post free, obtainable from us) is good value. Mr.

David has no "canniness" in his nature, and is the sort that works miracles; and it will take a miracle to save our country. All anti-Jewish workers may feel indebted to Mr. David for his courageous effort and indomitable spirit, as also to the stalwarts (P.J.R., E.B.H., and C.J.) who assisted at his meetings, to say nothing of the Londoners who got busy on Welsh addresses in thousands. (Phew!) Anyone who would like to help share the expenses of the Party can send donations here, whence they will be transmitted to Mr. P. J. Ridout, the President.

A WIN FOR BARNEY

So Baruch's man won the election, but with so small a majority that Government by influenza will continue. As in France and Greece, there is no hope of stable government here under Democracy,

Perhaps before these words see the light, Churchill will be speeding across the Atlantic to get his orders

THE LATE JAMES FORRESTAL

The diaries of the late U.S.A. Defence Secretary who was defenestrated in 1949 (see *Gothic Ripples*, No. 53, p.3) make it clear that he knew that the foreign policy of the United States was determined by the contributions of the Jews to political funds. He tried to get Truman to lift Zionism out of American politics, but the latter did not find the suggestion practicable! The diaries are being published in the *New York Tribune*.

Since writing the above, we hear that the *Forrestal Diaries* have been published in book form for five dollars by Viking Press, U.S.A., and that they contain the following statement (we have not yet been able to check this reference, but we have the word of Mr. Arcand of Montreal for it):-

"Chamberlain stated that America and the world Jews had forced England into the War."

If this statement cannot be suppressed, it should blow off the roof. We do not think that anything but sheer Gentile stupidity will be able to suppress it; so, if we are right, World War III will be attempted as the Second Jewish War of Survival. Readers should begin now to warn their friends to get busy to do all they can to prevent it.

Sir David Maxwell Fyfe is now Home Secretary, so it becomes all the more important to know how he got his Jewish personal appearance. So far, all we know is that his father was William Thomson Fyfe and his mother was nee Campbell, and that his grandfather was William Fyfe, a tailor of Echt, Aberdeen, whose wife was Johannah Ross.

**PLEASE HELP US BY GETTING US MORE SUBSCRIBERS !
WHERE DID HE GET THAT DIAL?**

His brother, Sir Cleveland Fyfe, interested in Agriculture, does not look Jewish.

(Left) Sir David Maxwell Fyfe's daughter married the Jew Clive Wigram (no relation to Lord Wigram).

We are left guessing. Sir David, as will be remembered, played an important part at the trial of the Jews' enemies at Nuremberg.

NIGGER BUSINESS

Of four Chairs of Social Anthropology in Britain, three are occupied by Jews (Schapera, Fortes and Gluckman) whilst a recent edition of the Journal of African Administration, issued by the Colonial Office, has two articles on Anthropology as applied to the Nigger problem, one by the Jew Schapera and another by the Jew P. Mayer. Our readers will have noted the appointment (announced in Gothic Ripples, No. 81) of a Jew as Governor of Uganda. All these appointments should be terminated in view of the Jewish policy of race-mixture for the Aryans.

MALICIOUS LIBEL BY POSTCARD

We are accustomed to receiving scurrilous letters, 'but When it' comes to scurrilous postcards, something must be done; so we give the latest postcard-libel more publicity than the writer of it reckoned upon. Here, then, is what was written in capital letters on a postcard to us dated 24th October : "*Please cancel subscription to **Gothic Ripples**. I - cannot help to support a Mental Case.— R.G.C.*" The writer was R. Gordon-Canning, of 16, Cadogan Square, S.W.1. Perhaps this exposure may put an end to the nuisance; if not, we'll try something else. By the way. the "support" consisted of paying 2d. for what was worth 2s. 6d. of anyone's money!

JEWS IN THE NEWS

The Jew O. L. Mohr, Rector of Oslo University, opened in October a British Institute. This Jew is a disciple of the pre-Hitler Jew Dr. Magnus Hirschfeld, the pornographic specialist, who, in Germany, had his Institute of Sexual Science.

At the meeting of the Atlantic Council deputies in London on 22nd October, it was the **Jew Aiphand** who presented the report on the progress of the Paris Conference on a European Army.

The new Soviet Minister to Czechoslovakia, is the Jew Arkadv I. Lavrentiev.

Dr. Josip Vidmar, whose voice was loudest at the international peace gathering at Zagreb, 24th October. is a Jew.

The Jew Lord Reading (left) is one of the two new Parliamentary Under-Secretaries for Foreign Affairs.

Lord Cherwell is the new Paymaster-General with special duty of supervising atomic energy research and production. We believe him to be Jewish, and dealt with him in *Gothic Ripples*, No. 72, p.1. He was advising Churchill all the time when alien Jews were being imported to control our atomic affairs.

JEWS' MEN

Lord Mountbatten is made Commander-in-Chief in the Mediterranean; his -wife is granddaughter of the Jew Sir Ernest Cassel. Lord Mountbatten presided over the Run. from-the-Nigger business in India in 1947. His daughter married 7th Baron Brabourne, who had a Jewish grandmother.

We were never deceived into thinking Dr. Malan was a real leader. (See *Gothic Ripples*, No. 39, p.1; and 41, p.2.) Jews are now welcome in

the Nationalist Party all over South Africa. The Jew J. Nossel said on .20th September, in an interview with a Cape Times reporter: "Under the Nationalist Government, thousands of Jews were naturalised who were not allowed to become so under the previous Government. The Malan Government had actively helped the State of Israel in her hour of need, politically, economically and otherwise. More Jewish religious and cultural leaders had been allowed to enter the Union than ever before."

Sir J. Arthur Salter, the new Minister for Economic Affairs, comes under the category of Jews' Man, but we think that Dr. P. Aldag made one of his few mistakes when he named him a Jew in *Juden beherrschen* England, 1939, n.277.

Mr. David Eccles is the new Minister of Works; his wife is distantly Jewish.

PEEPS AT THE CREEPERS

Recently, amendments to a Municipal Draft Ordinance in the Cape Provincial Council, S. Africa, aimed at exempting premises used for Freemasonry from rating were rejected, Councillor J. H. Henshilwood, in trying to push these amendments through, stated that religious services were conducted in Masonic Temples and therefore these buildings should, "like other Churches", be exempted from rating. We bring this argument before the notice of the Church Assembly!

According to the Times, 18th October, a Masonic service was held in St. Giles-in-the-Fields, (left) Holborn; the Cross was removed from the holy table before the service. Now the Archbishop of Canterbury is tripping over himself in trying to explain away this "curious circumstance."

Capt. H. F. C. Crookshank, the new Health Minister, is a Creeper, Scottish Rite, 32nd degree.

The chief qualification for any Lord Mayor of London is that he should be a high-grade Freemason. The new one, Sir Leslie Boyce is 30th degree in the Scottish Rite.

COMMENT ON EGYPT

(Compare this with "Comment on Persia" in our last issue.)

Although nothing can excuse the one-sided breaking of the 1936 Anglo-Egyptian Treaty, we must not forget that it was Britain which was the birthplace of the Balfour Declaration, the price of which was that the Jews brought America into World War I; Egypt was not consulted, and the Arabs have had a filthy deal from us over Israel. The Egyptians, rotten people as they may be, have not forgotten it.

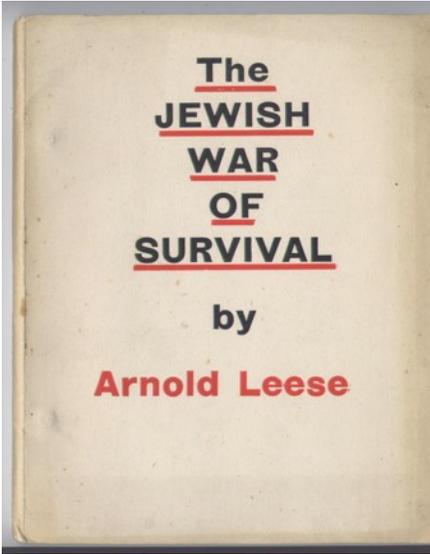

Britain must first get rid of its Jews, and thereafter treat all coloured people like the children they are.

PUBLICATIONS

Future Jewish Plans is a leaflet obtainable gratis from the well-known anti-Jewish worker, Einar Aberg, (left) address Norrviken, Sweden. We remind readers that closed covers to Sweden must bear 4d. postage for 1oz.
