IT NEED NOT HAVE HAPPENED BUT FOR THE WANT OF A LITTLE MORAL COURAGE

THE quality most rare and precious in people is Moral Courage, but, even among Aryans it is as unusual as physical courage is commonplace in them. Men who would feel ashamed of feeling fear of death itself will run like rabbits from any danger of being classified, even by people they may despise, as belonging to the "lunatic fringe" which is the Koshier phrase with which Jews and their supporters are wont to "smear" the Jew-wise.

The World War II need never have happened had Mr. Neville Chamberlain announced publicly something he knew about its origins, instead of just sharing his knowledge with diplomats with whom he was intimate. What that "something" was, is explained below. It is taken from *Forrester Diaries*, edited by W. Millis (Viking Press, 1951). The diaries of the late James Forrester. In private life, he had been a banker; although a Gentile, he succeeded the Jew Clarence Dillon as President of

Dillon, Read and Co. A few years later, he left the bank and became Under-Secretary to the U.S.A. Navy in 1940, and then Secretary (1944); and in 1947 he was made Secretary of Defence until he resigned in March, 1949. Our readers will remember that he met his death on 22nd of that month, apparently by the new method of secret execution, defenestration; in Gothic Ripples, No. 53, p. 3, we recorded our suspicions about this supposed suicide. Forrester knew too much. His diaries now prove it.

Under the date 3rd December, 1947, he records that he asked Jas. F. Byrnes, Secretary of State, if Zionism could be kept outside politics, but Byrnes didn't think it could be done.

"Rabbi Silver was one of the most intimate associates of Taft, who followed his advice on Jewish affairs". Forrester writes that he considered it disastrous that U.S.A. foreign policy should depend on the grants of certain groups to the funds of the political parties. On 3rd February, 1948,

he wrote that Franklin Roosevelt, junior, attempted to prevail on him to stop his opposition to Zionist influences in American policy; and that Baruch had told him (Forrestal) that continued opposition to Zionists would not prove to be in his personal interests. As is well known to the Jew-wise. Forrestal was then smeared to death in the press and radio.

But the most important revelation is that dated 27th December, 1945:—"Played golf today with Joe Kennedy" (left) (Ambassador to London in the years immediately before the war). "I asked him about his conversations with Roosevelt and Neville Chamberlain from 1938 on. He said Chamberlain's position in 1938 was that England had nothing with which to fight and that she could not risk going to war with Hitler. Kennedy's view: That Hitler would have fought Russia without any later conflict

with England if it had not been for Bullitt's" (Wm. C., then Ambassador to France, and a half-Jew) "urging on Roosevelt in the summer of 1939 that the Germans must be faced down about Poland; neither the French nor the British would have made Poland a cause of war if it had not been for the constant meddling from Washington. Bullitt, he said, kept telling Roosevelt that the Germans wouldn't fight, Kennedy that they would and that they would overrun Europe. Chamberlain, he says, stated that America and the world Jews had forced England into the war. (Our italics, G.R.) In his telephone conversation with Roosevelt in the summer of 1939 the President kept telling him to, put some iron, up Chamberlain's backside. Kennedy's response always was that putting iron up his backside did no good unless the British had some iron with which to fight, and they did not . . ."

So there it is! The complete justification of the Imperial Fascist League's attitude towards the War, for we did publish openly that the war was Jewish. The difference was that Chamberlain was Prime Minister, and if he had announced in public what he knew, he would have stopped Britain going to war; whilst we of the I.F.L. were, comparatively speaking,

"nobodies" whose leaders were interned for years under 18B without charge or trial for their opposition to Jewry and its war.

At the end of July 1940 Neville Chamberlain underwent an abdominal operation performed by the Jew E. G. Slesinger; but he got no permanent relief from his malady, and resigned on 3rd October and died a month later.

The Jews have already, begun to try and discount the damning revelations in the Diaries. Mr. Elath, Israel Minister to Britain, has written to the New York Herald Tribune, saying that when he was Ambassador to Washington, he conversed with Forrestal (24th Feb., 1949) who told him that he "had found his earlier misgivings regarding Israel had been largely dissipated as a result of his closer study of the facts"! No comment on that is needed here! **Arnold Leese**

A MESSAGE FOR THE NEW YEAR TO THE JEW-WISE

“Let nothing you dismay”

THE BRUTAL TRUTH ABOUT NIGGERS

Arnold Leese.

The Equality Lie is now one of the chief weapons of the Jew in his attempt to wipe out the white man's civilisation. Particularly in the Rhodesias is it being applied just now.

The negroes, as “Antipodean” points out in a letter to the Central African Post (21st June, 1951) had their title to this portion of Africa by right of conquest of the previous occupiers, whom they exterminated. But they sunk no wells in it; they built nothing substantial; they improved no land; they conserved no timber; they did not work the territory's coal or minerals; they made no roads. To sum up, they adopted a mode of life little better than the native baboons.

But when the white man came, he did not exterminate the niggers; on the contrary, he prevented them being sold as slaves by their own people, and from being massacred by other tribes. The white man sank wells, built roads, bridges and towns; improved the land and developed a livestock industry; conserved the forest timber; and mined the coal and minerals for the world's benefit as well as for his own. All this he did by paying for the labour of the nigger who has not the initiative, ability or enterprise to do these things himself.

There is not the slightest reason to believe that Niggers of any kind can do any better than the Rhodesian "native" has done. To pretend that they can is to ensure that what the white man has done will perish.

One of the numerous Jewish organisations that uses propaganda to pretend that they can. is Unesco ; here are some of its officers, all Jews :—

Educational Reconstruction Director: — J. Eisenhart.

International Understanding Director: — M. F. Luffman.

Social Sciences Director C. Klineberg. Public Information Director :— H. Kaplan.

Administrative Bureau Director: — C. H. Weitz.

JEWS IN THE NEWS

The Jew G. E. Janner is elected President of the 'Cambridge Union.

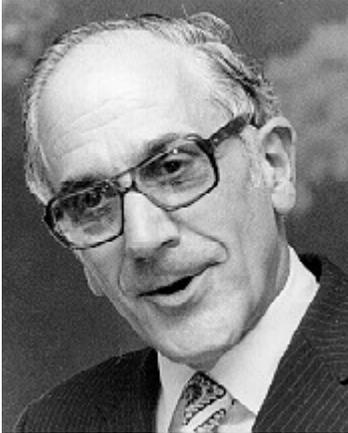

The Jew E. B. Chain, Nobel prize-winner, has been refused (for the second time) entry into the U.S.A. on security grounds. (See also Gothic Ripples No. 78, p. 3). The News-Chronicle describes him as a "German-born naturalised Briton"!

The Jew A. Sachs is appointed honorary physician to H.M. the King.

Walter Wanger, the film producer charged with assault with intent to murder his wife's agent, is the Jew Feuchtwanger.

The Jew General Louis Kahn of France is appointed Chairman of the North Atlantic Treaty Organisation.

The Jew Laurence Weston is appointed Crown Counsel to Nigeria.

The Jew Theodore Tannenwald is made an Assistant Director of the new Mutual Security Agency of the U.S.A., which is headed by Mr. W. Averill Harriman (See G.R., No. 82, p. 1). The agency will handle seven billion dollars appropriated to strengthen the defence of anti-Communist nations by aiding them economically.

The head of the U.S.A. Economic Mission to Spain is the **Jew Sidney Sufrin**.

JEWS' MEN

Sir David Maxwell Fyfe, Home Secretary, whose features remind one of those of the late Leopold Rothschild, sent a message of congratulation to a new lodge of B'nai B'rith inaugurated at Luxembourg early in December, saying: "Your work will strengthen the good will of the peoples of the West, which is so vital to us all".

An Associated Press Wirephoto shows Lady Franks, wife of the British Ambassador in Washington, who stands grinning behind, cutting a large cake to start festivities at the 34th anniversary celebration of the Red Revolution of 1917 by the Russian Embassy in that city, in November.

President Miguel Aleman, of Mexico, who looks like a Jew himself, was recently presented with an award by B'nai B'rith.

Herbert Morrison, M.P., proposed the toast of the World Jewish Congress at their meeting in Savoy Hotel on 13th December. We remind readers that on 17th April, 1939, at Hotel Astor, New York, he spoke at an all-Jewish Seder Service, and that he was on the Committee of the Annual Meeting for the Jewish National Fund's 1936 Exhibition and Bazaar. We have no information about his pedigree.

Mr. John S. Service, for 18 years a Foreign Service Officer of U.S.A., has been dismissed for lending to the Jew P. Jaffe, editor of Amerasia, copies of documents concerning his dealings with Chinese Communists.

TOEING THE LINE

The Duke of Edinburgh attended the service for the 250th anniversary of the Bevis Marks Synagogue on 19th December.

ABOUT THE CREEPERS

Dr. H. Garland Bennett, Director of the American "Point Four" programme of aid to underdeveloped countries, was killed in an air accident in Persia. He was a high-degree Freemason and a Shriner.

This is official, copied from December issue of Freemasons' Magazine:—"A Mason may discriminate in favour of a brother Mason. Other things being equal, he may give him the preference as he would a brother by the ties of kinship and blood ". This can only be interpreted as preferring a free-masonic foreigner to a non-Masonic Briton.

Americans! General MacArthur will never lead you against the Jews! Freemasonic record will be found in *Gothic Ripples*, No. 75, p. 2; he has

written another article boosting Freemasonry in the issue of the Freemasons' Magazine cited in the last paragraph; he has condemned anti-Jewism and called for a united effort to defeat it (see ***Gothic Ripples***, No. 80, p. 3). No! Look for your leader among the new men!

At Lakeland Lodge No. 3134, on 4th December, a presentation was made to Lodge No. 36 of the Grand. Loge Nationale Francaise. The official delegate of the latter was the Jew Col. Max K. Staub.

A new decadent record has been set up in the New Year Honours. Mr. S. A. White has acquired the K.C.V.O. for his contribution as Chief Executive Officer of English Freemasonry to activities which (quoting a Times leading article) "touch deeply many of the King's subjects". If National Honours are now to be granted for services to Freemasonry, the name of the Order might be changed to Knights of the Creeping Variety!

GETTING HIS ORDERS

Churchill stayed three days (8th to 11th January) as guest of Barney Baruch during his American visit.

A GLOATING WITNESS OF THE NUREMBURG MURDERS

In a monthly magazine, ***Stag*** (Vol. 3, No. 1, New York), is an article entitled "I buried eleven top War Criminals", by a "mortician" (this is the inverted-snob name used by advanced democrats to describe the calling of undertaker or "body-snatcher"). Peckham was present at the "executions". Describing the murder of Julius Streicher, he writes "The Jewish-American boy in charge of his execution let him strangle horribly for a long, long minute". The executioner is identified in the article as Sergeant John C. Woods, about whom we have written in ***Gothic Ripples***, Nos. 67, 68 and 69 ; in the latter issue (p. 4) we identified him

as a Jew from his portrait in Time (28th Aug., 1950, Chicago). Now, from the above quotation we have absolute confirmation by one who was partner with the individual in the worst crime that ever disgraced the name of Britain, also a partner in it.

By the way, of course, the bodies were not buried, but cremated.

LITVINOFF

His career has been described in the newspaper obituary notices.

Like most Bolshevik Jews, he seldom used the name he was given by his parents, Meier Henoch Moisevitch Wallach. Among his other aliases were Graf, Buchman, Nitz, Finkelstein and (in England) Harrison. His five brothers were Louis Poljansky (San Francisco), Salomon Litvinoff (imprisoned in France for forgery), Julius Weinberg (shot for blackmailing in Russia), F. Wallach (Johannesburg) and Rabbi Jankel Wallach (Poland). Two sisters (Poland and Ireland) call themselves Finkelstein. But, whoever he was, "Litvinoff" was thought good enough to be President of the League of Nations in 1935! Whilst Foreign Secretary to Russia, he allowed no-one to occupy any prominent position under him who was not a Jew. "From Litvinoff downwards, all are Jews," wrote Jas E. Abbe in "**I photograph Russia**" at this time. Litvinoff married the niece of the Jew Sir Sidney Low, who wrote The Dictionary of English History.

Office hours will be announced in a future issue of Gothic Ripples. The Britons Publishing Society is an independent organisation and we have long worked in co-operation with them.

PUBLICATIONS

Atom Treason is a pamphlet, illustrated and on good paper, giving the full history of the Jewish treason in sabotaging the H. Bomb in U.S.A.
