NOTHING NEW

When it was announced the other day that Jewish doctors in Russia had been arrested on charges of poisoning leading Bolsheviks by the deliberate employment of harmful medical treatment, a deafening scream of horror went up from World Jewry at the very idea that Jews would do such things. But it has all happened before. Our opinion, given in Gothic Ripples, No. 97, that Stalin himself gave instructions to Dr. Mikhoels for the poisoning of Zhdanov and others, which Mikhoels passed on to other Jew doctors, seems to have been correct, judging from what happened in 1933 in another case, well described in *The Great Conspiracy*, written in 1947 by two Stalinites, Michael Sayers and Albert E. Kahn.

It was then Henry Yagoda, a Trotskyite, who gave similar orders to Soviet doctors; Yagoda was a Jew, born Herschel, and had just been made Chairman of the OGPU or secret police. Yagoda got a certain Jew doctor, Dr. Leo Levin, of the Kremlin medical staff, into a position in which the latter could be blackmailed, and instructed him to put certain Soviet leaders out of the way. This Levin then directed Dr. Ignaty N. Kazakov, to finish off the ex-Ogpu Chief Menzhinsky, who was a patient of Dr. Kazakov, accompanying his orders with threats as to how Yagoda would ruin Kazakov if the latter refused to carry them out. Actually, Yagoda found it necessary personally to threaten Kazakov, after which Kazakov killed off Menzhinsky who had angina pectoris and bronchial asthma. Menzhinsky died 10th May 1934.

Dr. Levin carried out a similar medical murder under Yagoda's orders on the Soviet Planning Chief, the Jew Kuibyshev, who died 25th January, 1935. According to V. Kravchenko in his well-known book *I Chose Freedom*, the same Dr. Levin is suspected of having likewise polished off the Commissar of Heavy Industry, Ordzhonikidze, in February, 1937.

Dr. Levin and Yagoda also similarly forced Professor Pletnev to kill off the latter's patient Maxim Gorky.

It is not surprising that on the liquidation of Yagoda himself who had thus disposed of so many of Stalin's supporters, Stalin adopted the bright idea himself, getting rid of inconvenient rivals and then liquidating the very doctors he had used, all Jews for the work.

NOTE.—Political Commissar Leon Levin, Chief of the Ultra Secret Section L of the OGPU is not the same individual as the above Dr. Lea Levin.

THE NEW PRAESIDIUM

The Central Committee of the Russian Communist Party's Praesidium has now ten voting members. Their racial composition, as far as is known to us, is given below:—

Malenkov, G. M., Chairman of the Council of Ministers. (Left) He is a broad-headed Russian of Alpine type, with the high cheekbones of the East Baltic race. Not a good mixture by European standards.

Beria, L. V., Deputy-Chairman of Council of Ministers, and Minister for Internal Affairs, in charge of Secret Police and Atomic Research staff. He is obviously Jewish in appearance although there is great official reluctance in Russia to admit anything of the sort. as he has so long been head of the OGPU and its successor the N.K.V.D. Beria was admitted to be a Jew in the Russian paper *Nowoie Slovo* (New Word) of Berlin, 27th

XXXXXXX

October, 1935; "he is in any case said to be half-Jewish," says the *Cape Times*, leading article, 15th Jan., 1953; "rumoured to be Jewish," says Lt.-General Walter Bedell Smith, recently U.S.A. Ambassador in Moscow, in *My Three Years in Moscow*; "There have been hints that he may,

perhaps, be dubbed a Jew. ”*Evening News*,” 14th Jan., 1953. Racially, he appears to be Alpine with a dash of Oriental.

Molotov, V. M., Foreign Minister, a broad-headed Russian, who lies his way through life under this name; he was born Scriabin. He married a Jewess, sister of Sam Karp of Bridgeport, Conn., U.S.A. He also has a cousin married to the Jew Daniel Lazarus.

Voroshilov, K., Chairman of U.S.S.R. Supreme Council, He is Nordic, but married to a Jewess (*Jewish Examiner*, U.S.A., 6th Sept., 1946).

Krushchev, N., (Left) believed Russian.

Bulganin, N., War Minister. Russian.

Kaganovitch, L. M., Deputy Chairman, Council of Ministers. A Jew. He was Stalin's brother-in-law. He was the dynamo behind Stalin.

Mikoyan, A. I. Minister for Trade, An Armenian, and by race Hither Asiatic.

Saburov, M. Z. Minister, Machine Building. Race not known.

Pervukhin, Minister, Electrical Power. Race not known,

RACE

The one thing that stands behind all real politics is Race and the problem of its preservation and survival. That is, therefore, the last thing that Democratic politicians take any notice of, except to decry. It is the first thing that the Jews recognise among themselves, and the last thing they allow the Gentiles to learn about. That is why their UNESCO drivels against race-discrimination. The Jews have caused all useful books on the white races to be withdrawn, and they are now rarely to be had even in second-hand bookshops. In an endeavour to counter the worst effects of this attack, the Editor of Gothic Ripples some time ado financed, out of a

legacy from the late H. H. Beamish, the production of a cheap booklet ***THE FIVE RACES OF EUROPE***; the author is Mr. George Pile: The book is sold at cost price without profit to anyone except the printer; consequently there are no discounts, and it has been difficult to give it enough advertisement. It is illustrated with 24 photos from Gunther's ***Racial Elements of European History***.

Had Stalin studied it, he would never have tried the hopeless task of trying to promote Communism in countries where either the Nordic or the Mediterranean long-headed races are predominant; in such countries, the Communists remain a small body composed largely of Jews and round-headed racial minorities, plus a few extra-dumb blondes. That is why in Estonia, Lithuania and Latvia, it was necessary to remove and replace the Nordic majorities before Communism could settle down there. Communism appeals to the racially handicapped roundheads, always deficient in enterprise, and so becomes formidable in modern France, post-war Poland, Hungary, Czechoslovakia, etc., and in Northern Italy. ***Read Five Races of Europe***, obtainable from us, 2s. 6d., and postage 3d.

JEW IN THE NEWS

A new series of arrests of Jewish doctors has been made in Russia since those referred to in the last Gothic Ripples. At least ten more Jews (some of them females) are charged with offences like malingering, falsely certifying and incompetence. When one considers the queer deaths of some of the prominent politicians, in England and America who happened to be engaged in work opposed to Jewish interests and who had Jewish doctors attending them, we think Jews should not be allowed to practice among Gentiles.

The Jew Bruno Wolf has been arrested in East Germany for aiding other Jews to escape to West Berlin. He occupied the chairmanship of the education department of the Communist Central Committee in East

Germany; The Jewishness of Bolshevism in East Germany was stressed in Gothic Ripples. Nos. 97 and 98.

The Jew Joseph Levey is National Commissioner of Boy Scouts in Eire; but we don't know which Nation is indicated.

President Eisenhower continues to place his Jews where they can exert the most influence. The Jew Lewis Strauss, who was on the Atomic Energy Commission from 1946 to 1950, is appointed special assistant to the President on atomic energy matters.

Ten members of the Polish Legation in Stockholm have been recalled to Warsaw, including the Minister; he is the only one of the ten who is not a Jew. (See Times, 16th March.)

RACIAL FASCISM CAN DO IT

Neither the Housing Problem nor the problem of Destruction of Agricultural Land by building can be solved by Democracy. But both would be quickly eliminated by an intelligent racial policy.

There are about 3½ million Jews in this country; get rid of these (and they have no business here, for this is Britain) and the thing is done. And send the Niggers after them.

Madagascar would have to be purchased with Jewish money, and the formidable job of shifting 3½ million people would take a lot of time and organisation. But with modern methods of transport, the thing could be done, and every Briton could then find a home.

After that, Palestine should be restored to the Christians, and the Jews still breathing in that Iron Lung transferred to more suitable surroundings in Madagascar; this will mean concerted action by the Aryan Powers, who will then prohibit flying on the island and will patrol its waters.

HITLER'S LEAD

Jews themselves cannot be held especially liable to indulge in crimes of violence; they lead the world in the sneaking forms of crime which involve cheating and deceit with little physical risk to themselves. But when Jews and Gentiles interbreed, the half-castes which result are at war with themselves within their own bodies, and the criminal instinct of, the—Jew combines with the adventurous Spirit of the Aryan and perverts it.

Those who are looking for the causes of, the increase in violent crime in this country would do no, harm by finding out how and why Hitler's regime in Germany reduced within three years the rate of murder by nearly 34 per cent., and the rate of Robbery with Violence by 64 per cent!! (The figures are those of Dr. Erich Schinnerer of Berlin given in No. 4, Terramare Publications.) We venture to suggest that, this extraordinary achievement is one from which "Democracy" might learn a lot, and that the main factors were:-

The removal of the degrading Jewish influence from films and newspapers, etc., and the substitution for it of Aryan ideals.

The Social segregation of the Jews.

The Hitler Youth training.

Accent on Parental Responsibilities.

But our Home Secretary doesn't look like a suitable individual to get his teeth into an Aryan problem which the Nazis solved within three years!

RACIAL REALITIES IN EAST LONDON

The East London we mean is the one in South Africa, which suffered the Nigger. Riots last November. Dr. Elsie Quinlan, known as Sister Aldan,

was murdered by, natives in these riots, and now it is known that her flesh was eaten by a large number of these filthy savages. All this came out in the trial of thirteen natives alleged to have taken part in the murder. Dr. Quinlan had spent her time in a Catholic Mission on medical work in the, native location.

Now, why was this cannibalism not reported in any of 'our dailies? Doubtless, it is all part of the Jewish drive to boost the Nigger as a black brother. But you will do well to remember that the Tottenham Court Road Nigger is no great improvement on the inhabitant of the native, quarter of a South African town.

The flesh was hacked off on the spot' where the nun was killed.

FROM FAR AND NEAR

A number of men known to me deserted the forces early in the war owing to their possessing enough political .knowledge to know that it was an unnecessary war promoted by Jewry, and, should be stopped. It was all that was open for -these men to do. They proved to have been absolutely right. They have now been pardoned for making the mistake of making no mistake!

General Jodl, (left) one of the leaders murdered by the Allies at the instigation of their Jewish masters in 1946 at Nuremberg, was posthumously exonerated at a Munich Court on 3rd March, and his estate is not to be confiscated.

Although there can be no comparison between the upright personal character of our Queen Elizabeth II with the less attractive one of Good Queen. Bess, there can be no doubt that the latter was Queen of the English, not of the Jews. The only Jews in England in the reign of Queen Elizabeth the First were a handful of Marranos.

Queen Elizabeth foolishly employed one of them, Rodrigo Lopez, as her personal physician, but Jew-like, he attempted to poison her and was duly executed in 1594.

We hope that the new aristocracy of divorced Jewish film-stars will be kept out of the Coronation Procession.

Mr. Robert Boothby, M.P., speaking at a dinner given to Dr. Nahum Goldmann to raise funds for the Joint Palestine Appeal on 21st February, described himself as "a life-long Zionist". So he helps to pump some life into the Iron Lung of Israel. Why? Why?

Sir David Maxwell Fyfe, (left) the Home Secretary, opened the Sarah Laski Jewish Children's Home at Manchester on 22nd February. We dare bet that no-one there looked more Jewish than he did. But why? Why?

Emigration from Israel in 1952 was the largest on record. Thirteen thousand Jews left the country, of which 3,632 went to Canada.

Seven-eighths of Israel's income comes from American grants-in-aid and contributions from Jews outside. Israel, chiefly in America. The Arabs are waiting patiently.

The Bible upon which President Eisenhower took the oath was that used by George Washington; it has for 195 years been in the possession of St. John's Lodge No. 1 of the Ancient York Masons, New York, and its book-mark has the square and compass on it.

IT DIDN'T GET BY

The publishers of *The Revolt*, a book written in Palestine by Menachem Begin, leader of the Irgun Zvai Leumi, have had to pay damages to Mr. G. J. Morton who was in command of the party of Palestine Police which caught and shot Ibrahim Stern, head of the Stern Gang. The book declared that Stern was unarmed and was foully murdered by the police. It was

proved in Court that Stern had boasted he would never be taken alive and would always go armed. After capture, he tried to escape by dashing away, and, was shot.

RACIAL DISCRIMINATION IN THE B.B.C.

Racial discrimination is at present only put into practice as a one-way street of Jewish democratic propaganda leading towards the lowering of the standards and prestige of the White Man. An example of this is the latest B.B.C. novelty, an all-Nigger feature termed Club Ebony. We now hope to hear one or two all-White programmes in which Aryan artists may be heard, unsupported by Jewish and Nigger "culture". What a hope! That would be Racial Discrimination!

PUBLICATIONS

The Shameful Years Is the official report on thirty years of Soviet espionage in U.S.A. Although it is by the Committee of Un-American Activities, House of Representatives, they dared not mention the word "Jew", although the vast majority of the Soviet spies described in the report are known Jews. This fact, more than anything in the report itself, reveals how the Jew controls the U.S.A. We do not supply this report, which is published by the U.S. Government Printing Office, Washington.

Our congratulations to *Free Britain*, the organ of the Britons, on getting into print with its 135th issue. Obtainable from Britons Patriotic Society, 46/48, Prince-dale Road, W.11. 52 issues 15s.

FOOD FOR THOUGHT

The Atlanta journal, 8th Feb., contains a laudatory account of Barney Baruch from which we cull the following:—

"Even Lenin and Stalin have sought conferences with him."

"Baruch backed all the Senators that Roosevelt tried to purge in 1938. He recalls gleefully 'We didn't lose one'."

"Eisenhower has been a junior acquaintance of Baruch for a long time. . . He marked Ike as a capable young officer."
