REVOLUTION

So many lies and so much deceit has been employed to cover up the real culprits of the Russian Bolshevik Revolution and its aims that this planned tragedy in human history has been presented to the youth of our islands by brainwashed teachers as a mile-stone in the development of human progress, which it was not.

In 1857 the French and English branches of the Rothschild family met in London and fostered a plan to bring North America under their financial control. The North was to become a British colony annexed to Canada and the South was to be administered by Napoleon III of France. Judah F. Benjamin was sent to the United States as their agent. On September 8th 1863, the Czar Alexander II of Russia, knowing of their plans sent a fleet to San Francisco and to New York to aid the Americans. After the war the gangster bankers had Abraham Lincoln murdered because he continued to issue the national currency debt and interest free based on the potential of the nation to create wealth.

On June 28th 1914 Franz Ferdinand, the Archduke of Austria, was murdered by the Jew Gabriel Prinzip on the instructions of the Narodna Odbrana Masonic Lodge and Austria sent in troops to discipline its subject state, Serbia. The Russians came to the aid of the Serbs and Germany allied itself with the Austrians. Russia had a pact with France while Great Britain had promised to come to Belgium's aid if she should be invaded. False information had been passed on to the Germans that

Britain would not honour her agreement and Germany invaded Belgium to get at France.

The weakness of Russia lay in an inassimilable community within its borders. Douglas Reed in his book *FAR AND WIDE* has shown the development of Zionism and Communism in the homes of the Khazar people between the Black and the Caspian seas. These Mongol-Turkish people had been converted to Judaism in the 8th century A.D. and have played a hoax on Western Christendom to their advantage, pretending that they were of Israelite stock. Resenting the rule of a Christian Czar, they determined to overthrow his government and take control. In 1881 the Khazar "Jewess" Hesia Helfman planted the bomb which killed the reforming Czar Alexander II. He would have gained the support of his people by his legal and constitutional reforms and this was not in the interests of the Khazar 'Jews' nor of the international bankers who planned to take over the country by violent revolution. His successor, Alexander III clamped down on all reforms and many Khazars fled to Paris, London, Manchester and New York; many wished to dodge military service. In their new residences they continued to plot against Imperial Russia.

In 1905 the Khazar 'Jews' felt strong enough to attempt their revolution. They cooked up a war between Russia and Japan, The Jewish Encyclopaedia under 'Schiff' states that the Jewish banking house of Kuhn Loeb of New York floated a loan for Japan in 1904-1905 for which the Mikado conferred on Jacob Schiff the Order of the Treasure of Japan. Russia would have won that war but the bankers' agents placed in the governments of the United Kingdom and the United States caused pressure to be put on Russia to cease fighting. In 1911 the Russian Prime Minister, Stolypin, recommended laws to discontinue all discrimination against Jews. Stolypin took some extremely important measures against the Marxists who were inciting the rural masses and as the result of a conspiracy he was assassinated by a Jew and further reforms were prevented by war and revolution.

The Russian Revolution was the result of Kerenski (Kirbitz), Lenin (Ulianov) and Trotsky, (Bronstein). At the beginning, Lenin was in

Switzerland and Trotsky was in the U.S.A. The Jewish Social Democrat, Israel Lazarewitz (alias Helphand and Parvus) was the go-between for the international bankers the Warburgs and the German High Command. He suggested a means of getting Russia out of the war by revolution. It was arranged that Lenin accompanied by Karl Radek and others would pass in a sealed train through German held territory with about six million dollars worth of gold provided by the international bankers - the Warburgs. Olaf Ashberg of the Nye Banken of Stockholm went with them as the bankers representative and remained in Russia after the revolution.

On the 27th March 1911 Trotsky left New York on the S.S. Christiana with 275 trained revolutionaries and millions of dollars worth of gold provided by the Warburgs, Kuhn Loeb and Jelolovski of the Rhine Westphalian Banken, whose daughter Trotsky married. At their first port of call, Halifax, Nova Scotia they were arrested and interned by the Canadian Government who were not going to allow millions of German soldiers to be enabled to be withdrawn from the Eastern Front kill to Canadian troops on the Western Front. The bankers could not care less about the spilling of Canadian blood and caused their agents Sir William Wiseman (who subsequently became a Kuhn Loeb director) and the ubiquitous 'Colonel' House) to persuade the British and the American governments to put pressure on the Canadians: Trotsky and his men were freed and sent on their way with the money and American passports in November to join Lenin in the Bolshevik Revolution. Together through bribery, cunning, brutality deception and hired thugs they imposed communism out of the barrel of a gun. The Czar and his family were slaughtered by the Jew Yurovski assisted by the Jews Golschekin and Voikov on the instructions of the Jew Sverdlov, President of the Central Executive Committee of the Bolsheviks. After the Revolution, Trotsky transferred the gold reserves of the Russian Banks to Kuhn Loeb and Co. of New York.

Jacob Schiff admitted that he had financed Trotsky in a telegramme to a Communist Rally held in the Carnegie Hall, New York on March 23rd 1917: "Will you say for me to those present at tonight's meeting how deeply I regret my inability to celebrate with friends of Russian freedom

the actual reward of what we had hoped for and striven for these long years. Signed: Jacob Schiff." This telegramme was published in the New York Times the following morning. Cholly Knickerbocker, a New York columnist, wrote in the New York Journal American on February 3rd 1949: "Today it is estimated even by Jacob's grandson, John Schiff, a prominent member of New York society that the old man sank about 20 million dollars for the final triumph of Bolshevism in Russia." The Jewish Chronicle April 1919 printed: "There is much in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism are in many points consonant with the finest ideals of Judaism." Extracts from the official report of the American Army Intelligence transmitted by the Army Staff Second Bureau states that in 1917 Jacob Schiff, Max Warburg, the Rhenish Westphalian Syndicate and Olaf Aschberg of Nye Banken of Stockholm commissioned Trotsky to bring about the actual social revolution in Russia. This information also appeared in the New York Bolshevik journal "*Forward*."

Jacob Schiff, senior partner of Kuhn Loeb & Co. was the father-in-law of Paul Warburg. Paul and Felix Warburg were also partners in Kuhn Loeb's bank. Their brother Max was head of the Rothschild Allied Bank in Frankfurt. Paul Warburg was the prime mover in the establishment of the Federal Reserve System whereby, contrary to the Constitution of the United States, the currency of the nation is issued by the private bankers as an interest bearing debt.

The Times. London. 29th March 1919 stated: "Of the 20 to 30 commissars who provide the central government machinery of the Bolshevik movement, not less than 75% are Jews ... among the minor officials their numbers are legion." Winston Churchill wrote in ***THE ILLUSTRATED SUNDAY HERALD***, 8th February 1920: "This movement among the Jews is not new; from the days of Spartacus (Adam Weishaupt) to those of Karl Marx (Moses Mordecai Levi) and down to Trotsky, (Russia), Bela Kuhn (Hungary), Rose Luxemburg (Germany) and Emma Goldman (USA), this world conspiracy for the overthrow of civilization and for the reconstruction of society on the basis of arrested development of envious malevolence and impossible equality has been steadily growing."

The Schiffs and the Warburgs and their associates were on both sides of the conference table at the Treaty of Versailles and Lloyd George, the British Prime Minister, wrote: "The international bankers swept aside statesmen, politicians, journalists and jurists and issued their orders with the imperiousness of absolute monarchs." At the conference, Schiff and his associates insisted on the recognition of the Bolshevik government which they had set up which at that time as those in their 70's and 80's will affirm was torturing and slaughtering all those considered to be their enemies. Many millions more innocent Russians were murdered by the Bolsheviks after the revolution. The gangster bankers also pinned impossible reparations on defeated Germany which eventually brought about the corrupt Weimar Republic and the rise of Adolph Hitler.

ZIONISM versus BOLSHEVISM.

A STRUGGLE FOR THE SOUL OF THE JEWISH PEOPLE.

By the Rt. Hon.

WINSTON S. CHURCHILL

Some people like Jews and some do not; but no thoughtful man can doubt the fact that they are beyond all question the most formidable and the most remarkable race which has ever appeared in the world.

Disraeli, the Jew Prime Minister of England, and Leader of the Conservative Party, who was always true to his race and proud of his origin, said on a well-known occasion: "The Lord deals with the nations as the nations deal with the Jews." Certainly when we look at the miserable state of Russia, where of all countries in the world the Jews were the most cruelly treated, and contrast it with the fortunes of our own country, which seems to have been so providentially preserved amid the awful perils of these times, we

must admit that nothing that has since happened in the history of the world has falsified the truth of Disraeli's confident assertion.

Good and Bad Jews.

The conflict between good and evil which proceeds unceasingly in the breast of man nowhere reaches such an intensity as in the Jewish race. The dual nature of mankind is nowhere more strongly or more terribly exemplified. We owe to the Jews in the Christian revelation a system of ethics which, even if it were entirely separated from the supernatural, would be incomparably the most precious possession of mankind, worth in fact the fruits of all other wisdom and learning put together. On that system and by that faith there has been built out of the wreck of the Roman Empire the whole of our existing civilization.

And it may well be that this same astounding race may at the present time be in the actual process of producing another system of morals and philosophy, as malevolent as Christianity was benevolent, which, if not arrested, would shatter irretrievably all that Christianity has rendered possible. It would almost seem as if the gospel of Christ and the gospel of Antichrist were destined to originate among the same people; and that this mystic and mysterious race had been chosen for the supreme manifestations, both of the divine and the diabolical.

'National' Jews.

There can be no greater mistake than to attribute to each individual a recognizable share in the qualities which make up the national character. There are all sorts of men -- good, bad and, for the most part, indifferent -- in every country, and in every race. Nothing is more wrong than to deny to an individual, on account of race or origin, his right to be judged on his personal merits and conduct. In a people of peculiar genius like the Jews, contrasts are more vivid, the extremes are more widely separated, the resulting consequences are more decisive.

At the present fateful period there are three main lines of political conception among the Jews. two of which are helpful and hopeful

in a very high degree to humanity, and the third absolutely destructive.

First there are the Jews who, dwelling in every country throughout the world, identify themselves with that country, enter into its national life and, while adhering faithfully to their own religion, regard themselves as citizens in the fullest sense of the State which has received them. Such a Jew living in England would say, "I am an English man practising the Jewish faith." This is a worthy conception, and useful in the highest degree. We in Great Britain well know that during the great struggle the influence of what may be called the "National Jews" in many lands was cast preponderatingly on the side of the Allies; and in our own Army Jewish soldiers have played a most distinguished part, some rising to the command of armies, others winning the Victoria Cross for valour.

The National Russian Jews, in spite of the disabilities under which they have suffered, have managed to play an honorable and useful part in the national life even of Russia. As bankers and industrialists they have strenuously promoted the development of Russia's economic resources, and they were foremost in the creation of those remarkable organizations, the Russian Co-operative Societies. In politics their support has been given, for the most part, to liberal and progressive movements, and they have been among the staunchest upholder of friendship with France and Great Britain.

International Jews.

In violent opposition to all this sphere of Jewish effort rise the schemes of the International Jews. The adherents of this sinister confederacy are mostly men reared up among the unhappy populations of countries where Jews are persecuted on account of their race. Most, if not all, of them have forsaken the faith of their forefathers, and divorced from their minds all spiritual hopes of the next world. This movement among the Jews is not new. From the days of Spartacus-Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide

conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs. Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire.

Terrorist Jews.

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution, by these international and for the most part atheistical Jews, it is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd) or of Krassin or Radek -- all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bela Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers in the population is astonishing.

'Protector of the Jews.'

Needless to say, the most intense passions of revenge have been excited in the breasts of the Russian people. Wherever General Denikin's authority could reach, protection was always accorded to the Jewish population, and strenuous efforts were made by his officers to prevent reprisals and to punish those guilty of them. So much was this the case that the Petlurist propaganda against General Denikin denounced him as the Protector of the Jews. The Misses Healy, nieces of Mr. Tim Healy, in relating their personal experiences in Kieff, have declared that to their knowledge on more than one occasion officers who committed offenses against Jews were reduced to the ranks and sent out of the city to the front. But the hordes of brigands by whom the whole vast expanse of the Russian Empire is becoming infested do not hesitate to gratify their lust for blood and for revenge at the expense of the innocent Jewish population whenever an opportunity occurs. The brigand Makhno, the hordes of Petlura and of Gregorieff, who signalized their every success by the most brutal massacres, everywhere found among the half-stupefied, half-infuriated population an eager response to anti-Semitism in its worst and foulest forms.

The fact that in many cases Jewish interests and Jewish places of worship are excepted by the Bolsheviks from their universal hostility has tended more and more to associate the Jewish race in Russia with the villainies, which are now being perpetrated. This is an injustice on millions of helpless people, most of whom are themselves sufferers from the revolutionary regime. It becomes, therefore, specially important to foster and develop any strongly-marked Jewish movement which leads directly away from these fatal associations. And it is here that Zionism has such a deep significance for the whole world at the present time.

A Home for the Jews.

Zionism offers the third sphere to the political conceptions of the Jewish race. In violent contrast to international communism, it presents to the Jew a national idea of a commanding character. It has fallen to the British Government, as the result of the conquest of Palestine, to have the opportunity and the responsibility of

securing for the Jewish race all over the world a home and centre of national life. The statesmanship and historic sense of Mr. Balfour were prompt to seize this opportunity. Declarations have now been made which have irrevocably decided the policy of Great Britain. The fiery energies of Dr. Weissmann, the leader, for practical purposes, of the Zionist project. backed by many of the most prominent British Jews, and supported by the full authority of Lord Allenby, are all directed to achieving the success of this inspiring movement.

Of course, Palestine is far too small to accommodate more than a fraction of the Jewish race, nor do the majority of national Jews wish to go there. But if, as may well happen, there should be created in our own lifetime by the banks of the Jordan a Jewish State under the protection of the British Crown, which might comprise three or four millions of Jews, an event would have occurred in the history of the world which would, from every point of view, be beneficial, and would be especially in harmony with the truest interests of the British Empire.

Zionism has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevik circles with the international communistic system. Nothing could be more significant than the fury with which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him in no doubt that his schemes of a world-wide communistic State under Jewish domination are directly thwarted and hindered by this new ideal, which directs the energies and the hopes of Jews in every land towards a simpler, a truer, and a far more attainable goal. The struggle which is now beginning between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people.

Duty of Loyal Jews.

It is particularly important in these circumstances that the national Jews in every country who are loyal to the land of their adoption should come forward on every occasion, as many of them in England have already done, and take a prominent part in every measure for combating the Bolshevik conspiracy. In this way they

will be able to vindicate the honor of the Jewish name and make it clear to all the world that the Bolshevik movement is not a Jewish movement, but is repudiated vehemently by the great mass of the Jewish race.

But a negative resistance to Bolshevism in any field is not enough. Positive and practicable alternatives are needed in the moral as well as in the social sphere; and in building up with the utmost possible rapidity a Jewish national centre in Palestine which may become not only a refuge to the oppressed from the unhappy lands of Central Europe, but which will also be a symbol of Jewish unity and the temple of Jewish glory, a task is presented on which many blessings rest.

And there are many more: where have all the Anglo-Saxons gone?

IN BRITAIN

England's first revolution began when Charles I refused to borrow money to build up his fleet to protect British merchant shipping. For this purpose he enacted an ancient Anglo-Saxon law and began to tax the ports with "Ship Money." When he extended this tax to cover country towns there was an eruption. Oliver Cromwell carried on the revolution by borrowing money from the Synagogue of Mulheim in Holland through Manesseh Ben Israel. The chief contractor to Cromwell's New Model Army was Fernandes Cavargel, the Great Jew. For these services, Cromwell allowed the money lenders into Britain. (Read: *THE NAMELESS WAR* by Capt. A.H. Ramsay. M.P. for Midlothian).

These Sephardic Jews gained much wealth lending money to the government, financing the slave trade, the tobacco, sugar and cotton plantations in the New World and the expanding industries in England, which were carried on by the employment of children and sweated

labour. Incidentally, the Jews, themselves owned ships in the slave trade and managed the slave markets. This period also saw the beginnings of Freemasonry which enabled the new Jewish immigrants to come into social contact with Christian society. In occult masonry, the temple the adepts were building is the Jewish world government with the Fatherhood of God and the Brotherhood of Man, to reduce all to a one world system of multi-racialism under the Jews.

THE KHAZAR JEWS OR ASKENAZIM.

At the end of the 18th Century a new type of Jew made his appearance in Britain who was not of Israel stock - the Khazar Askenazim Mongol-Turk who had been converted to Judaism/ Pharisaism in the 8th Century by the decree of their ruler Bhulan. (Read: **THE THIRTEENTH TRIBE** by Arthur Koestler). They carried on with the Jewish Idea of remaining a cohesive nation within the nations ruled by their own central government of Rabbis and gradually destroying the host nation from within by organized revolution and the destruction of institutions, religion and culture. At the same time they aimed at increasing and building up their own power within the state until they are strong enough to take over complete control of the host community. Theirs is an internal war of calculated deceit and hypocrisy.

Dr. Oscar Levy wrote in 1920: "Jewish elements provide the driving force for both Communism and Capitalism, for the material as well as the spiritual ruin of the world." Maurice Samuel wrote in **YOU GENTILES**: "We are trying to rebuild the world to our needs and to unbuild it for the Gentiles..... We are destroyers, we will remain destroyers forever nothing you will do will meet our needs and demands. We will forever destroy because we need a world of our own."

THE ILLUMINATI.

Adam Weishaupt, an ex-Jesuit professor turned Satanists founded a secret society, The Illuminati, in 1776 for the destruction of the Christian West. Early members of this society were Mirabeau, Voltaire. Emmanuel Kant. Moses Mendelsohn and the bankers Itzig, Freidlander and Meyer

Amschal. Weishaupt (Spartacus) began to infiltrate his adepts into the masonic lodges and instituted higher degrees of his own order. During the French Revolution which was taken over by the Illuminati, the right to control the currency fell into the hands of Meyer Amschal, a money lender from Frankfurt. He changed his family name to Rothschild (Red flag) and stated "Give me the right to issue and control the currency of the nation and I care not who makes the laws."

ROTHSCHILD'S CONTROL OF THE MONEY MARKET.

Nathaniel Rothschild, Meyer's son established the London Branch of the bank. He set up a private communication service with the Continent. He gained news by fast ship across the Channel that Wellington had won the Battle of Waterloo before the official news came through. When Rothschild began selling his government security bonds, prices fell and Rothschild still went on selling. There was panic on the London stock exchange. Everybody thought that the Battle of Waterloo was lost and everybody began to sell. Rothschild bought up stocks and shares for a song and an interest in the Bank of England. When the correct news arrived he was in a strong financial position and the most powerful man in the Kingdom.

THE COMMUNIST LEAGUE.

The Illuminati formed the Communist League and this became the First Communist International, members of which were, Karl Marx (Moses Mordecai Levi) and Lionel de Rothschild. Rene Groos, wrote in ***LE NOUVEAU MERCURIE***, Paris 1927: "The two internationals of Finance and Revolution work with ardour they are the two fronts of the Jewish International ... there is a conspiracy against all nations." Theadore Hertzl, the Zionist leader, wrote in ***THE JEWISH STATE***: "When we Jews sink we become a revolutionary proletariat (communistic) and when we rise there rises also the terrible power of the purse (Capitalistic)." The Jew, Blumenthal, editor of ***JUDISK TIDSCRIFT*** Sweden, in issue No. 57, 1929 wrote: "Only recently our race has given the world a new prophet, but he has two faces and bears two names; on the one side his name is Rothschild, leader of all the

Capitalists and on the other side, Karl Marx, the apostle of those who want to destroy the others."

THE COMMUNIST REVOLUTIONS.

In 1848 the league of Twelve Just Men of the Illuminati commissioned Karl Marx, the son and grandson of Rabbis, to write the Communist Manifesto and in the same year revolutions broke out all over Europe headed by Jews. Benjamin Disraeli, a Sephardic Jew, told the House of Commons in 1852: "The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition and authority, against religion and property. The natural equality of man and the abrogation of property are proclaimed by the secret societies who form provisional governments and men of Jewish race are found at the head of every one of them." Exactly seventy years after the 1848 outbreaks the same occurred in 1917 in Russia and an attempt was made in Spain. The same thing is now being organized in Britain and the Anglo-Saxon nations using the dupes they have indoctrinated. Both Marx and Lenin stated that the British were too stupid to organize their own revolution and so one must be imported for them.

THE CONTROL OF THE HIDDEN HAND.

Benjamin Disraeli wrote: "Governments do not govern but merely control the machinery of government, being themselves controlled by the **HIDDEN HAND**." No political party which they do not control will be allowed to obtain power.

Walter Rathenau, a Jewish Banker, wrote in *WIENER FREI PRESSE*, December 24th 1912: "Three hundred men, each of whom knows all the others, governs the fate of the European Continent, and they elect their successors from their entourage." And they now control the Common Market.

Jean Izoulet, a member of the Jewish Alliance Israelite Universelle, wrote in *PARIS LA CAPITALE DES RELIGIONES*, 1932: "The meaning of

the history of the last century is that today 300 Jewish financiers, all masters of lodges, rule the world."

On the BBC programme, **TWENTY FOUR HOURS**, 14th April 1971, it was stated concerning the ICI take-over of United States chemical concerns: "Three hundred men control world industry."

Andre Cheradame wrote in **LA MYSTIFICATION DES PEUPLES ALLIES** "For some years a group of financiers whose families for the most part are of German-Jewish origin has assumed control of political powers and exerts a predominant influence over Lloyd George. The Monds, Sassoons, Rufus Isaacs, those known as the representatives of international banking interests, dominate old England, own its newspapers and control elections."

KHAZAR JEWS MOVE INTO BRITAIN.

The Khazar Jews remaining in Russia were influenced by information from their racial relatives in the West and Douglas Reed, a foreign correspondent in both wars, notably in Russia, wrote in **FAR AND WIDE**: "Political Zionism and Soviet Communism grew up side by side in Jewish areas of Czarist Russia, with families living under the same roof tree the destructive achievement, in both the Zionists and Communist aspect came from the Jews in the Russia of the Romanoffs; **THAT IS THE KEY TO THE PRESENT AND THE FUTURE.** The Jews who made those two great movements **WERE NOT SEMITES**: on that point all qualified authorities agree; their forebears never knew 'the hills of your ancestors'." These Khazar 'Jews' began moving into Great Britain, France and the United States in the 1880's after one of their number, Hesia Helfman, on the instructions of her lodge, had murdered the reforming Czar Alexander II. His son, Alexander III clamped down on all reforms and put the Jews back into their ghettos. The Sunday Telegraph of 9th March 1975, previewing the book, **EAST END RADICALS** by William Fishman, quotes as follows: "The religious and tribal communities, led by the rabbis and centred on the synagogue and House of Study, preserved islands of Jewish identity in a foreign sea. But the Jewish 'Illuminati', the descendants of the 18th century enlightenment,

the radicals of various strains such as the Anarchists, social revolutionaries and Marxists, rationalists and secularists' carried on the class war and the fight against autocracy from the heart of the East End ghetto. They were the same breed as the Jewish idealists who helped to make the Russian Revolution before being devoured by Stalin (a national communist). From London, Manchester, Paris and New York they carried on plotting the overthrow of Czarist Russia and the revolution in the country which had given them sanctuary.

PLANNING THE REVOLUTION FOR BRITAIN.

While the Communists planned for open revolution the Khazar Kahilla (leadership) realized that the Anglo-Saxon-Celtic nations - a homogeneous society, undergoing a Christian social revival, commenced by John and Charles Wesley, would not take part in a revolution instigated by a foreign element and so other methods had to be devised. Firstly to use bogus theories and propaganda dressed up as science and learning in order to re-educate the people and to arouse them to destroy their own culture, institutions and religion and secondly to aggravate the religious quarrels especially in Ireland. Amongst all nations there is an element which wishes to be free from the restraints of traditional discipline which governs the family, the society and national life and if a nation can be made to lose faith in itself and its culture, alien philosophies which seem to offer a solution will be accepted.

There were certain young men of the upper and middle classes who were seeking power and position but to whom the moral restrictions placed upon them by the Christian Society of Victorian England were irksome and intolerable. They had been influenced by the writings of Plato, Ingersoll, Darwin, Paine, Jeremy Bentham and others and became interested in the works of Karl Marx. In *the Protocols of the Learned Elders of Zion*, it is written in Protocol II: "For them let that play the principle part which we have persuaded them to accept as the dictates of science (theory). It is with this project in view that we are constantly, by means of our press, arousing the blind confidence in these theories ... Do not suppose for one moment that these statements are empty words: think carefully of the successes we arranged for Darwinism (evolution),

Marxism (communism), Neitzcheism (socialism). To us Jews, at any rate, it should be plain to see what a disintegrating importance these directives have had upon the minds of the Goyim."

Victor Gollantz, a Khazar Jew, established a publishing company to print, publish and distribute communist and socialist literature. One of the earliest publications was "The Ragged Trouser Philanthropists."

THE FABIAN SOCIALISTS.

The Fabian Society was formed in 1883 to work for revolution not by a worker's uprising but by what Sidney Webb called "The Process of Gradualism." It gained its name from the Roman General Quintus Fabius Cunctator, 'Fabian the Delayer' who fought his battles using the tactics of caution and delay. In 1884 George Bernard Shaw, a member of the Marxist Democratic Federation which was led by the Khazar Henry Myers Hyndman, joined the Fabians. Shaw told the German socialist, Bernstein, also a Khazar Jew, that he wanted to make the Fabians the Jesuits of Socialism. Shaw wrote: "The working class want to be bourgeoisie. It is people like myself of the upper and middle classes who are the revolutionary element in society. The proletariat are the conservative element." Among the prominent Fabians of those days were Edward Carpenter (Poet Laureate of Socialism), Havelock Ellis (Apostle of free love), Keynes (homosexual economist), Sidney Webb (Lord Passfield), Beatrice Webb, Annie Besant (Theosophist controller of the Free Thought Publishing Co.) and C. Wilson (an Anarchist editor of the paper, "Freedom").

The Fabians embarked upon a policy of penetration of educational establishments and institutions, the indoctrination of young scholars political parties and the Civil Service. We have seen the results of their labours in the traitors Philby, MacLean, Burgess and Blunt and many others in the educational system, the church, the Civil Service and the mass media, working away for the ultimate destruction of our own people.

THE LONDON SCHOOL OF ECONOMICS.

In 1894, Sidney and Beatrice Webb established the London School of Economics with a legacy left by a member of the Fabians. This school was endowed in 1929 by a millionaire Jewish banker, Sir Ernest Cassell "to train the bureaucracy of our future socialist state." Its principal was Harold Lasky, a Marxist revolutionary. New faculties were established in the universities in the fields of Psychology, Sociology, Politics, Economics, Anthropology and additions and changes were made in direction in the fields of Biology and Philosophy to suit the induced trend of the mindbenders. At the London School of Economics students from the colonies and protectorates in Africa, Asia and the West Indies are trained in the theories and methods aimed at the ultimate destruction of the British Commonwealth and Empire and the establishment of a world government.

THE SECOND KHAZAR INVASION.

Between the two world wars a great number of English speaking aliens with odd sounding names, many with university degrees came in from Germany, Austria and central and Eastern Europe. They were mostly Marxist atheists. They took up teaching posts in the new faculties and began the indoctrination of the younger generation of the British people, and so you see why middle class girls at universities become harlots and dope addicts and end up as scruffy women's' libbers parading about with placards in the streets advocating the murder of unborn members of our race.

These Khazar aliens poured scorn on the Christian faith, Christian ethics, patriotism, nationalism and Christian culture so that sound philosophy, theology, history and educational methods were supplanted by false theories and endless social experiments and researches to change society. These men and women, so indoctrinated, are now at work indoctrinating the youth of our nation thinking that they are changing society to make a better world and oblivious of the ultimate end for which their training has been planned. They are lecturers in universities, teacher training colleges, Theological colleges: they are editors, reporters and journalists on the newspapers and periodicals, they are librarians, they are in the TV studios, the theatre and in the film industry, under the control of their

masters who are working behind the scenes. So indoctrinated are they that they feel insecure when any other belief or philosophy is presented to them.

Protocol IX states: "We have got our hands into the administration of the Law, into the conduct of elections, into the press, into the liberty of the person, but principally into education and training as being the cornerstone of a free existence. We have fooled, bemused and corrupted the youth of the Goyim by rearing them in principles and theories which are known to us to be false although it is by us that they have been inculcated."

Among those engaged in education, public instruction and public information are representatives of the Khazar 'Jews' of various grades, (many of whom have now taken English names). and fellow travellers, making sure that the tempo of revolution is maintained, plugging any gaps that may occur, taking advantage of any weakness in society, devising new laws and new tactics as the situation arises and reporting back any difficulties to their inner ring who can pull political strings, since they are well represented in the House of Lords and the House of Commons. The Race Relations Acts are an example of this, since our racial destruction is one of the prime aims of the Khazar Jews. They are using the legal system to keep our mouths gagged and our hands tied behind our backs so that we cannot protest, while they mongrelize our race with the Negroes and Asiatics they have allowed into our country for the purpose.

THE DESTRUCTION OF THE FAMILY.

We are being submitted to waves of pornographic filth by the mass media, especially by the television screen. In Protocol XIV we read: "In countries known as progressive and enlightened we have created a senseless, filthy and abominable literature." In order to destroy the family, attacks began on the natural modesty of the Anglo-Saxon-Celtic peoples in the newspapers and cinemas with lewdness to play on the sexual instincts. The tempo gradually increased aimed at the breakdown of family life upon which the national life depends. Having sexually

aroused teenagers, methods were devised to control the problem by sex education which further inflamed the desires and so free contraceptives are offered to children to protect against unwanted children. Youths are being inducted into homosexuality as part of the programme. All this loosens self respect and respect for others. Dr. Stanlay Ellison, Chairman of Responsible Society, stated "Certain organizations are out to undermine the security of the family and to ensure that adolescents engage in sexual intercourse at the earliest opportunity. He mentioned The Family Planning Information Service booklet "***Straight Facts About Sex***" and the teenage magazine "***Mirabelle***." He stated: "Presumably the government (Labour) fears that the older relatives, who might be parents, would hope to dissuade their young from premature intercourse."

On the TV screen and in the mass media a policy of progressive degradation is used to debauch the race gradually with sexual filth, permissiveness and persuasion to racial integration. The Khazar 'Jews' Winogradsky and Bernstein, in 1978 showed a filthy film of sexual debauchery on the TV to the music of Handel's Messiah and particular exception was taken by Christians to the use of the Hallelujah Chorus. On the 16th of December 1979 a Jewish film was shown, full of homosexuality and immodesty. This film was unfit to be shown in a Christian country. It was a disgusting parody of the Crucifixion, of the Roman Catholic religious orders, of the Roman Catholic Mass and the rite of Holy Communion. It was a parody of all that the Christian Church holds sacred and was in the spirit of the French, the Russian and the Spanish revolutions in which revolt is stirred up by the Khazar Jews. Apartheid seems to be the only answer to these two cultures since the Anglo-Saxon-Celt looks upon the sexual life of man as allied to the spiritual for the production of children, while the Khazar 'Jew' seems to treat all men as animals and therefore seeks to reduce men to the level worse than beasts.

Granada TV is part of the monolithic organization owned by the multi-millionaire Lord Sydney Bernstein who is an Eastern European Khazar 'Jew' and Associated TV is owned by Zionist multi-millionaire Lord Lew Grade (Winogradsky) another Eastern European Jew. How do these aliens who come into this country with next to nothing become so

rich? Because we have traitors of our own race who think only of riches and because the Khazars in accordance with Deuteronomy 23:19-20 only lends his racial compatriots money without usury but charges usury to the Goyim.

THE ACTIVE REVOLUTION.

The Khazar Jews in this country have complete control of the left-wing of the Labour Party. Top Khazar Communist from Russia, Comrade Ponomarev from the Kremlin (Daily Telegraph 13/10/76) was invited by the Labour Party's International Committee, Chairman Ian Mikardo, to visit Britain. The Khazar Jews have scheduled Britain as a future colony of the Soviet Union. Mikardo stated (Daily Tel. 27/11/ 76) that the Labour Party would play a full administrative part in the Socialist International. Ponomarev was a close friend and confidante of Joseph Stalin and has an obnoxious record as had his former boss, Shalepin. The communist assassin Alexander Shelepin, head of the KGB came into Britain as the invited guest of Len Murray. Jack Jones defended this trip by Shelepin the Communist assassin. (Daily Telegraph 3/4/75).

In May 1969 the organ of the Trotskyite-Marxist group "The International" stated the following concerning the spreading of their struggle in Northern Ireland"to the outlying areas of the British Isles where, just as in Northern Ireland economic depression combines with a feeling of national oppression. Likewise in the Black ghettos of the big industrial cities, who would predict that in the next few years the events of Derry will not be repeated in a more explosive form."

The IRA Provisionals are part of a world terrorist organization controlled by the Fourth Trotskyist International whose secretary-general is Dr. Ernst Mandel, a Khazar Jew, domiciled in Belgium. This organization plans for the destruction of both the Northern Ireland Administration and the Southern Ireland Dial and the establishment of a communist state on the model of Cuba. Following this there will be an attack an England and Scotland. Dr. Mandel organized joint Trotskyite IRA Provisional gatherings dedicated to this revolution in England (Daily Telegraph 27/2/72). The Daily Telegraph reported on 3/13/72 that a top KGB agent was in Dublin for the provisional conference and that Dr. Mandel stayed

at the Four Courts Hotel, Dublin. The letter bomb and the parcel bomb were invented by the Khazar 'Jews' in their campaign to get control of Palestine and the first bomb went off at the Colonial Office on September 3rd 1947 (Daily Telegraph 15/2/ 1948). This training was given I.R.A. members by Cohn-Bendit's organization at the Sorbonne. A mysterious Trotskyite camp was held at Axminster, Essex by some very un-British people. Here was planned the future strategy for the destruction of Britain. The British government have consistently failed to take the hard-line in Northern Ireland due to Khazar Jew influence in government and have helped the IRA as have the BBC and the ITV.

The World Council of Churches, on the recommendation of the British Council of Churches made substantial grants to the racist black power magazine "**Race Today**" published in Brixton. One editorial of this magazine stated: "Our policy is to assist the black population (of Britain) to manifest its revolutionary potential...black people ... will be one of the most potent forces of revolutionary change in Britain." Andrew Young, a mulatto with Jewish blood in an ABC News documentary in the United States, called for the wiping out of Western Civilization: "And if the White West is incapable of brotherhood with the coloured peoples then this small body of coloured people - black people within the West - may be the revolutionary vanguard that God has ordained to destroy the whole thing."

THE SOCIALIST WORKERS PARTY.

This party was on the TV screen in 1979 openly stating that they aim at bloody revolution in Britain and that nothing else would appease them. This is a revolutionary Trotskyite group and each issue of the "**Socialist Worker**" bluntly states "There is no parliamentary road." Trotsky regarded the mass murderer Stalin as too moderate. The founder of the Socialist Workers Party was the Khazar Jew Ygael Gluckstein, an Israeli citizen, who goes by the name of Tony Cliff. His wife, Chanie Rosenburg, is well known in the left-wing teaching profession. Gluckstein/Cliff is currently the editor of the **SOCIALIST WORKER**. (1978). These are the people who would slaughter two thirds of the

population of this country as unreliable. (Read **TREASON AT WEST MINSTER** by Dr. Kitty Little.)

D.G. Stewart-Smith, editor of EAST WEST DIGEST, in a letter to the Daily Telegraph in August 1968 gave a breakdown of the numbers of persons killed as a result of the Marxist-Leninist ideology. He estimated that there are 120,000,000 dead and the death toll still continues. Ninety million people of Western Europe are scheduled for destruction as politically unreliable.

THE ANTI-NAZI LEAGUE.

The original inspiration and impetus for the Anti-Nazi League came from the Board of **Deputies of British Jews** - Britain's premier Jewish community and Zionist organization. The main objective of the League is to attempt to stifle any nation and patriotic protest by the native Britons of these Islands by violence if necessary. The Board's principal representative on the steering committee of the Anti-Nazi League is Miriam Karlin, a member of the Women's Campaign for Soviet Jewry. She is a Marxist as are other well known members of the steering committee. Members of the Anti-Nazi League are members of the International Marxist Group or of the Socialist Workers Party and are openly revolutionary and aim at the destruction of the British State and its institutions. The Khazar Jew, Paul Holborowitz is the paid organizer, press officer and treasurer of the League. Some members of the League are also members of the Labour Party (Read: **LIFTING THE LID OFF THE ANTI-NAZI LEAGUE**). A sponsor of the Anti-Nazi League is the Khazar Jew, Ian Mikardo, a Zionist Labour Party Executive member who owns a company engaged in trade with Iron Curtain Countries. Mikardo campaigns to reduce Britain's military strength in favour of the Soviet Union. (Daily Telegraph 23/9/1977). John Moore, editor of **JANES FIGHTING SHIPS** wrote in a letter to the Daily Telegraph 28/9/1977 "From the naval point of view the Mikardo Plan would remove many of the problems which currently inhibit the Soviet Navy's freedom of action..." Another sponsor is Paul Rose who is hostile to British Nationalism and supports Israeli nationalism. Rose wrote a book praising Irish Republican Terrorists who murdered a British policeman. Another

sponsor is the Reverend Paul Oestreicher, a German Khazar Jew not very friendly to our kith and kin in Rhodesia and one of the main leaders of the Anti-Nazi League is Peter Hain, of Kenya birth and South African origin, possibly also a Khazar Jew who destroyed our games of cricket with South Africans. There are numerous members and associates of the Board of Deputies of British Jews such as Ian Mikardo, who are simultaneously Jewish, Marxist Zionist and Capitalist and sponsors of the Anti-Nazi League.

The Khazar Jew leadership are building up the revolution against us and are using the Negroes and Asiatics that have been allowed into our country as storm troopers. The Socialist Workers Party and the Anti-Nazi League are the main instigators of violent revolution at the moment and throughout the country share the same offices. The revolution will follow the same plan as elsewhere: A weak democratic government unable to control the artificially contrived inflation instigated by the international Khazar Jewish bankers; jobs will be lost and many small firms will go out of business, there will be further inflation and loss of funds followed by rioting in the streets stirred up-by trained agitators, the government will take police action to restore order, leading to its downfall, then the real revolutionaries, the men of the **HIDDEN HAND** who have been sitting behind the scenes will take control and the slaughter of dissidents will begin. Others will be sent to concentration and re-education camps. The country will then be forced to settle down to a living death: Zombies under Khazar Jew Government as in the Soviet Union. Take heed as to what has happened in the French Revolution and the Russian Revolution.

THE RACE ISSUE.

This agitation to interbreed the Anglo-Saxon-Celtic people with the Negro and Asiatic aliens eventually resulted in the passing of the Race Relations Acts of 1965 and 1968. Although most of the agitation was concerned with demanding laws against incitement to racial hatred. The race acts were also devised at breaking the 'colour bar' that is forcing white people to serve, employ and mix with anybody and everybody regardless whether they chose to or not, thus denying the indigenous

people of these islands their freedom of choice for which we have fought in wars in our past history.

In order to assist in persecuting people and dragooning them into multi-racialism, the Race Relations Board was set up by the Marxist Institute of Race Relations among whose members were the Jews, David Sieff, head of Marks and Spencers; Sir Frederic Seebohm, head of Barclays International; Jim Rose, Lord Cowdray's right hand man at the Westminster Press; Harry Oppenheimer the richest man in Africa; Anthony Lester, the Fabian Lawyer who became the Home Secretary's adviser on race relations; Walter Runciman, the shipping magnate and Professor Himmelweit of the London School of Economics. Lester Himmelweit and Rose are members of the Board of Deputies of British Jews sub-committee on race relations which seeks to prevent marriages between Jews and non-Jews. The solicitors who act for the Board is the Jewish firm of Harry Bindman and partners. Not only is Bindman legal adviser to the Race Relations Board but also to "*The Socialist Worker*." Bindman published *RACE AND THE LAW* the suggestions in which were used to strengthen the 1976 Race Relations Act. Geoffrey Bindman serves on the advisory committee of the pro-immigrant Runnymede Trust as well as being a member of the Board of Deputies of British Jews Race Relations Committee. The Board of Deputies of British Jews and the Zionists who control them pressurize the government to strengthen the Race Laws to further force the white people of this country to integrate. It will be noticed that the Polish people who have found sanctuary here do not attempt to take such action against their British hosts; only the Jews. We realize that a great number of Jews, mostly Sephardim, resent the activities of the Zionist Imperialists and we realize that they are being intimidated and victimized by the proponents of the world revolution and we appeal to them to reveal all they know even though the Zionists thugs burn down their synagogues and deface their grave stones as in the past, pretending that these atrocities have been done by hostile gentiles. "Assimilation is a more potent danger to Jews in the Diaspora than persecution." That is what Ian Mikardo said when he addressed Bournemouth Jews. The British Movement wrote to the Commission for Racial Equality and pointed out that this was the same as: 'Race Mixing Destroys Our People' and would they push for a prosecution against

Mikardo with as much enthusiasm as they pushed for the prosecution and imprisonment of the Movement's Chairman? They answered by stating it is unlikely, because the word 'assimilation' is different from the words: 'race-mixing.' Try telling the compilers of the Oxford Dictionary that. Does anybody need further proof that in Britain today we have an unjust society?

POSTSCRIPT.

The World Jewish Council published a booklet ***JEWS AND HUMAN RIGHTS***, printed by the Nerod Press Ltd., Cavell Street, London, E.C.1. This booklet is extremely frank about the twin messianic aims of Political Zionism. Zionists believe that while the Gentile nations of the world will all become internationalized. The Jews will enjoy a national state based on Jerusalem which will be the seat of their world government. This helps to explain the seeming contradictions prevalent in Zionist circles which simultaneously demand fanatical support for the survival of Israel, but race-mixing for everybody else.

In the Daily Express of March 24th 1933 the headlines on the front page announced; JUDEA DECLARES WAR ON GERMANY. Why? Because Adolph Hitler replaced all Khazar Jews in High places with German nationals of German bloodstock. You as a "Goy" or an Arab see if you can get a high position in the State of Israel today! Remember, leaders are made today by the publicity given them by the mass media. The mass media is controlled by the international bankers and financiers. This ensures that real British patriots and nationalists are kept out of the news by lack of publicity or are slandered by pre-arranged 'bad' publicity. This ensures that 'yes-men' of the bankers' choice are always in the public eye.

There is only one way to get this alien incubus off our backs and that is to vote only approved British Nationalists and Patriots into Parliament and vote out of office all the puppets who are controlled by the Hidden Hand; and secondly to reveal to the nation the activities of the aliens in our midst and thirdly to ensure than all forms of the nation's currency are

issued debt and interest free by the Queen in Council and repudiate the national debt which has been paid many times over in compound interest.

JEWES IN PARLIAMENT

According to the May 11th issue of the Jewish Chronicle, thirty-two Jewish Members of Parliament were returned in last month's General Election, a full dozen short of the record number of Jews elected in October 1974. Jewish Socialists outnumber those of the Conservative Party. The ratio is twenty-one to eleven, as compared with thirty-five, to nine after the previous election. Six of the successful Conservative Jews have been appointed by Mrs. Thatcher to her administration, with a seventh being added in the form of Councillor Irwin Bellow, leader of Leeds City Council, who has been given a life peerage to become spokesman for the Department of the Environment in the Lords. In addition, Mrs. Thatcher has appointed as chief of staff of her political office Mr. David Wolfson, a nephew of Sir Isaac and a former director of Great Universal Stores. This Parliament is the thirty-first since Baron Lionel de Rothschild took his seat as the first Jewish M.P. in July 1858.

Set out below is a list of the Jewish M.P.s in the Commons, as published by the Jewish Chronicle, along with their constituencies:

CONSERVATIVES - Leon Brittan (Cleveland and Whitby), Sheila Faith (Belper), Geoffrey Finsbery (Hampstead), Toby Jessel (Twickenham), Sir Keith Joseph (Leeds North-East), Ivan Lawrence (Burton-on-Trent), Nigel Lawson (Blaby), John Lee (Nelson and Colne), Sally Oppenheim (Gloucester), Malcolm Rifkind (Edinburgh Pentlands), Anthony Steen (Liverpool Wavertree).

LABOUR - Leo Abse (Pontypool), Frank Allaun (Salford East), Joel Barnett (Heywood and Repton), Arthur Davidson (Accrington), Clinton Davis (Hackney Central), Jack Dunnett (Nottingham East), Reginald Freeson (Brent East), David Ginsburg (Dewsbury), Greville Janner (Leicester West), Gerald Kaufman (Manchester Ardwick), Harold Lever (Manchester Central), Edward Lyons (Bradford West), Ian Mikardo (Bethnal Green and Bow), Maurice Miller (East Kilbride), Neville

Sandelson (Hayes and Harlington), Robert Sheldon (Ashton-under-Lyne), Renee Short (Wolverhampton North East), John Silkin (Deptford), Samuel Silkin (Dulwich), Julius Silverman (Birmingham Erdington) David Winnick (Walsall North).

That the J.C.'s list may by no means be complete is suggested by the following snippet from the pen of its 'Chronicler' columnist in the May 11th issue:

"As in the previous three Parliaments the only Cohen in the new House of Commons is a Roman Catholic [!!! - Candour Editor]. Mr. Stanley Cohen, a former railway clerk has held Leeds South East since 1970. He told me then that there was 'some Jewish grandparent in the distant past'."

And, of course, Mr. Callaghan had a Granny Bernstein!

ROTHCHILD'S COMMON MARKET

This month's elections for the so-called European Assembly, with their creation of huge, artificial Constituency-units, echo a forecast made by Edmond de Rothschild on 18th July, 1970, in the magazine *Enterprise*, and reproduced in Hamish Fraser's pamphlet *The Forthcoming European Elections in the Light of Papal Teaching*:

"Western Europe, i.e. the six countries, of the Common Market, plus Great Britain and perhaps Ireland and the Scandinavian countries, according to modalities to be defined, are going to constitute a federal political Europe, but because each individual feels the need to be situated within a restricted milieu, he will identify himself with a province, be it Wurtemberg or Savoy, Brittany, Alsace-Lorraine, or the Wallon region. Under these conditions, the structure that must give way is the Nation."

In those words, Mr. Fraser's pamphlet comments, "was cynically exposed the tactic of the war on two fronts that is being waged against the nation: to break it into fragments by separatism and to finish it off by taking from it all real sovereignty."

The Forthcoming European Elections in the Light of Papal Teaching is a pamphlet which should be read by every anti-Marketeer. It is available from Hamish Fraser, Casa Garcia Moreno, 1 Waverley Place, Saltcoats, Ayrshire, Scotland

A revolt begins in schools

By PAUL Williams
Education Staff

Nearly 100 school children aged between 12 and 18 from over the country sat down yesterday in the Polytechnic of Central London for lessons in revolution and the efficacy of terrorism.

It was the start of a two-day school organised by Red Rebel, the youth organisation of the left wing Socialist Workers party for members in the National Union of School Students. It includes instructions in disrupting schools and a practical lesson in marching with today's TUC demonstration against the Government's Employment. Bill.

The lessons started with John Deeson secretary of the Right to Work Campaign on why one should be a socialist. This was followed by Simon Turner, national committee member of the Socialist Workers party on terrorism. Tony Cliff, one of the founders of the party on revolution, and Maggie Wren, editor of *Women's Voice* who gave a talk, "We want more sex" on sexual politics, the right to be gay and women's liberation.

A leaflet, entitled "How to disrupt your school in six easy lessons," is the basis of lessons today from Hardy Desai, the national chairman of the National Union of School Students, and his colleagues on organising, school strikes and undermining teachers' authority.

As pupils trooped in for the talk on terrorism, one youth hid a can of larger in his jacket. "It's alright," Mr. Dasai told him. "This is not like school. You can drink in here."
